A. Definitions (cont’d)

PrePaid Calling Card
A payment option which allows customers to prepay for their outbound intraLATA calling usage carried by the Company. PrePaid Calling Cards are available to end-users in varying dollar and unit denominations.

Station-to-Station Calls
The service where the person originating the call
- dials the telephone number desired, or
- gives to the Company operator the telephone number of the desired station, Miscellaneous Common Carrier connecting circuit, PBX or PBX station which is reached directly rather than through a PBX attendant, or gives only the name and address under which the number of the desired station, Miscellaneous Common Carrier connecting circuit or PBX is listed, and does not specify a particular person to be reached, nor a particular mobile station to be reached through a Miscellaneous Common Carrier attendant, nor a particular station, department or office to be reached through a PBX attendant.

Value Plus Contract Service
Value Plus Contract Service is furnished as an adjunct to all classes of business and residence telephone service and provides for telephone communications to all toll points within the LATA in which the customer is located within the State of Michigan. Value Plus Contract Service is in effect at all times including holidays. Value Plus Contract Service charges set forth herein are in payment for toll service and Wide Area Telephone Service furnished between the calling and called station. Value Plus Contract Service does not include any calls to toll points outside the customer's home LATA. Value Plus Contract Service does not include interzone calls or calls within the local service area except those placed on the Wide Area Telephone Services access lines.

Wide Area Telephone Services are encompassed in Part 10 in this Guidebook.

5. Exemption - Operator Assistance (OA) may be provided at no charge to persons who are unable to use a telephone due to a disability which can be confirmed by a physician or certifying agent. Operator Assistance service charges will not be charged to the approved telephone number. To obtain an exemption, the customer must complete the appropriate form and have it certified by a registered physician or certifying agent. Operator Assistance exemption eligibility may be verified periodically and recertification may be required. Failure to provide the required documentation may result in loss of the exemption. Operator Assistance usage will be monitored by AT&T and is subject to review and investigation. Misuse of the exemption by a customer could result in its removal. Operator Assistance exemption is a voluntary program of AT&T that may be terminated at any time.
