SECTION 2.0 – REGULATIONS (CONT'D)

2.16 Adjustment to Rates and Charges

The Customer may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amounts it is required by governmental or other authorities to collect from or pay to others in support of statutory or regulatory programs. Such charges, if applicable, are described in this section of the tariff.

2.16.1 Pay Telephone Surcharge

An undiscountable surcharge shall apply to each call utilizing the Company's services which originate from an instrument which the Company identifies as a domestic Pay Telephone. Services for which a Pay Telephone Surcharge applies include, but are not limited to:

- (A) Calls placed using the Company's Travel Service. Surcharges will be charged to the billed party based on the billing method chosen by the party placing the call.
- (B) Calls placed using the Company's Preferred Travel Service. Surcharges will be charged to the billed party based on the billing method chosen by the party placing the call.
- (C) Calls placed using the Company's complex voice long distance calling card. Surcharges will be charged to the Customer's calling card.
- (D) Calls placed to a BellSouth<sup>®</sup> Toll-Free service. Surcharges will be billed to the Toll-Free service Customer rather than the party originating the call.

The applicable per call surcharge can be found in the specific pricing sections of this tariff.

2.16.2 Primary Interexchange Carrier (PIC) Change Charge

The Company may, at its option, elect to incur the PIC change charge on the Customer's behalf for new Customers who presubscribe their intrastate service, for certain products in this tariff, to the Company through Company-designated sales channels for Company-designated marketing campaigns and where the appropriate arrangements are in place between the Company and the eligible Customer's local exchange carrier. In the event that no such arrangements are in place, the Company may, at its option, reimburse the Customer, or issue the appropriate credits on the Customer's invoice upon the Customer's proof of payment of such PIC change charges.

2.17 Unused Calling Cards

Any Company-provided Business Travel or Preferred Travel Services calling card that has not been used or is no longer used for any continuous 18 month period will be considered abandoned by the Company. The Company may, at its sole discretion, deactivate any abandoned calling card(s) without further Customer notice.

SECTION 3.0 – GENERAL DESCRIPTION OF SERVICE (CONT'D)

3.5 One Plus Services

The Company does not offer presubscribed one plus services to residential customers or to business customers at this time. However, the Company offers one plus services in conjunction with Complex Voice Services as described in Section 6 of this tariff.

3.6 Travel Services<sup>1</sup>

(T)

3.6.1 Travel Service

Travel Service is provided to Residential and Business Customers for originating calls when away from the home or office, by dialing a Company-provided toll-free access code or number, entering the destination number and entering the Customer's Authorization Code. Calls are billed to the method of payment indicated by the Customer.

Travel Service calls placed by the Customer can be made on a fully automated basis or with the assistance of a live Company operator. The following types of calls are available with Travel Service:

Types of Operator Assisted Calls

- (A) Station-to-Station Fully Automated - The Customer dials a toll-free access number or code plus the destination number. The caller enters the necessary travel/calling card digits or other billing information (e.g., name of called party for Collect Calls) when prompted by the Company's automated operator system.
- (B) Station-to-Station Operator Assisted - The Customer dials a toll-free access number or code plus the destination number and utilizes the assistance of a live operator to bill the call (e.g., operator enters travel/calling card digits or other billing information).
- (C) Station-to-Station Operator Dialed - The Customer dials a toll-free access number or code only and utilizes the assistance of a live operator to enter the destination number and bill the call (e.g., operator enters travel/calling card digits or other billing information).

<sup>1</sup>Effective June 30, 2012, the Travel and Preferred Travel Services calling card billing option will no longer be available to new Business Customers or to existing Business Customers who move locations or make changes to their service.
