SECTION 4 – INTERSTATE SERVICE DESCRIPTIONS, RATES AND CHARGES

4.6 Optional Calling Plans (continued)

4.6.4 Business Integrated Solutions 500 Minutes Plan

- (A) The Business Integrated Solutions 500 Minutes plan is a direct dialed domestic outbound and domestic inbound long distance service offered to business Customers on switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. For outbound calls Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. The Business Integrated Solutions 500 Minutes plan provides the Customer with 500 minutes of outbound and inbound interexchange (both interstate and intrastate) long distance usage per billing period for a flat rate monthly charge. Additional usage over the initial 500 minutes will be billed on a flat rate per minute basis. No term discount is applicable to this service. The 500 plan minutes cannot be used for calls to 900 services, international calling, calling card, directory assistance or operator services calls.
- (B) Customers of this plan must subscribe to one of the following services offered by the Company's affiliated incumbent local exchange entity: BellSouth® Integrated Solutions, ISDN and to a local service term agreement from the Company's affiliated incumbent local exchange entity.
- (C) Customers who no longer meet the eligibility requirements identified above will be transferred to Business Message Telecommunications Service without further notice until such time as the Customer selects another Company service.
- (D) All calls are billed in one (1) minute increments after an initial period, for billing purposes, of one (1) minute. This service is only offered in conjunction with the corresponding intrastate Business Integrated Solutions 500 Minutes plan. This service is not offered on an intraLATA only basis.
- (E) To receive toll-free service (inbound) Customers must subscribe to the Business Easy Toll Free Plan. The provisions and rates and charges of the Business Easy Toll Free Plan will apply as described in Section 4.7 of this pricing and service guide except that usage rates are specified below.
- (F) The MRC is \$22.00 and the per minute usage rate is \$0.0530 for calls completed after the 500 minute block of time has been used. This charge is the same as the MRC identified in the Company's state specific tariffs/price lists. Only one monthly service charge will apply when both interstate and intrastate service is provided to the Customer.

(G) Restrictions

This plan is provided for standard voice calling involving live dialog between individuals. This plan is not intended for use as a substitute for dedicated or open circuits, or similar applications. This plan may not be used for data connections, including but not limited to, modem to modem calls, remote access applications, Internet access, or Intranet access (including access to corporate LANs). Additionally, this plan may not be used for dedicated point-to-point connections between equipment that leaves a circuit connected without a contemporary, continuous voice communication. The plan may not be used for auto dialers; PBX trunks; ground start line or trunks; ISDN service, including PRI; foreign exchange services; Remote Call Forwarding/Telebranch Service; public telephone service; public access smart-pay phones; analog to digital conversion digital PBX service, including local access provisioned via T-1 facilities; WATS service; PBX/PABX/EABX services; nonsquare electronic key telephone systems; hybrid key telephone systems; predictive calling/dialing systems; automatic outbound dialing systems; any type of automatic call distribution system; or the functional equivalent of any such systems listed above. This plan may be used for fax transmissions, excluding broadcast fax applications (which are prohibited). Where customer has more than 10 calls to any single number of a duration of more than 3 hours each during a billing cycle or any single call of greater than 10 hours of duration, Customer will be presumed to be in violation of these restrictions. In such case, Customer may be asked to provide reasonable proof to the Company that it is not using the Service for a prohibited purpose. Failure to provide such proof to the Company shall be treated as a violation of the terms and conditions of this Plan.

(H) Call Detail

Call Detail is available as an optional feature to this Plan. For an additional MRC Customers who select this optional feature will receive the itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following Customer's request. Customers may add or remove the Call Detail optional feature from this Plan at no charge.
