SECTION 4 – INTERSTATE SERVICE DESCRIPTIONS, RATES AND CHARGES

4.5 Residential Message Telecommunications Service

4.5.1 Residential Message Telecommunications Service (MTS) is a direct dialed outbound long distance service offered to residential Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. Customers who do not designate and qualify for a specific optional calling plan are automatically placed on Residential MTS. Calls are billed based upon the time-of-day and day-of-week in which the call was made. Holiday discounts do not apply. To be eligible for this service Customers must subscribe to local exchange service provided by the Company’s affiliated local exchange company.

4.5.2 All calls are billed in one (1) minute increments after an initial period, for billing purpose, of one (1) minute. This service is only offered in conjunction with the corresponding intrastate BellSouth® Residential Message Telecommunications Service. Effective June 14, 2011, Customers subscribing to MTS for the provision of interLATA calling (interstate and intrastate usage), the interstate/intrastate minimum usage charge is \$2.00. If monthly domestic direct dialed calling equals or exceeds \$2.00, the minimum usage charge will be waived. If domestic direct dialed calling is less than \$2.00, the minimum usage charge will be the difference between such usage and \$2.00. For Customers subscribing to this Service for the provisions of intraLATA calling (local toll) only, the minimum usage charge is \$2.00. If monthly direct dialed intraLATA calling equals or exceeds \$2.00, the minimum usage charge will be waived. If monthly direct dialed intraLATA calling is less than \$2.00, the minimum usage charge will be the difference between such usage and \$2.00.
