4.5 Residential Message Telecommunications Service

4.5.1 Residential Message Telecommunications Service (MTS) is a direct dialed outbound long distance service offered to residential Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service.

Customers who do not designate and qualify for a specific optional calling plan are automatically placed on Residential MTS. To be eligible for this service Customers must subscribe to local exchange service provided by the Company’s affiliated local exchange company. Customers may subscribe to MTS service for the provision of intraLATA only calling (local toll), interLATA only calling (interstate and intrastate), or intraLATA and interLATA calling combined.

4.5.2 All calls are billed in one (1) minute increments after an initial period, for billing purpose, of one (1) minute. Holiday discounts do not apply.

If monthly outbound domestic 1+ Direct-Dialed usage charges equal or exceed the Monthly Minimum Usage Charge (MUC) in a billing period, the MUC will not apply. If monthly outbound domestic 1+ Direct-Dialed usage charges in a billing period are less than the MUC, the MUC that will apply will be the difference between that month’s usage charges and the MUC.

9.5 Type 4 - Obsolete Services (continued)

9.5.9 AT&T Unlimited Nationwide Calling Basic Preferred Plan1 (formerly known as AT&T PreferredPack® Unlimited Savings Value2, AT&T Complete Choice® Unlimited Savings II3, AT&T Unlimited Nation Value4, AT&T Triple Choice Unlimited4 and AT&T Unlimited Nationwide Calling5)

(A) The AT&T Unlimited Nationwide Calling Basic Preferred plan is a direct dialed outbound long distance service offered to single line or multi-line residential Customers on switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. The AT&T Unlimited Nationwide Calling Basic Preferred plan provides the Customer with unlimited minutes of interexchange (both interstate and intrastate) long distance usage for a flat rate monthly charge (certain restrictions, as outlined below, do apply). This plan does not provide call detail information on the Customer's monthly bill. This service is only offered in conjunction with the corresponding intrastate AT&T Unlimited Nationwide Calling Basic Preferred plan. This service is not offered on an intraLATA or intrastate only basis.

(B) In order to be eligible for this plan, the Company must be able to verify that the Customer meets the following eligibility requirements. Customers who no longer meet these eligibility requirements will not be eligible for this plan and may be offered an alternative plan or have their service suspended, restricted or canceled without prior notice. Customers with one to three lines at a location are eligible for this service if they meet the following requirements:

.1 Single line Customers must subscribe to BellSouth Long Distance and must also subscribe to and maintain one of the residential services as defined and offered by the Affiliated ILEC of the Company. Multi-line Customers must subscribe to BellSouth Long Distance and must also subscribe to and maintain one of the residential services as defined and offered by the Affiliated ILEC of the Company on each line under this plan. This plan may also be combined with one (1) or more products or services offered by the Affiliate of the Company as defined and offered by the Affiliate of the Company in conjunction with a subscription to this plan. Customers required to subscribe to one (1) or more products offered by an Affiliate of the Company must continue to subscribe to those products.
