INTEREXCHANGE INTERSTATE, AND INTERNATIONAL SERVICES**

SECTION 9 - OBSOLETE SERVICES

9.1 General

Obsolete services are those services no longer offered to new Customers following the date specified for each service in this section of the pricing and service guide. For existing Customers, the effect of obsoleting a service will depend on the form or type of obsolescence stated for each obsolete service offering. Obsolete services as listed in this section of the pricing and service guide are classified as obsolete according to the following types.

- | | |
|--------|---|
| Type 1 | Customers may continue to use the obsolete service arrangement and may add to, change, move or transfer the service as required. |
| Type 2 | Customers may continue to use the obsoleted service arrangement and may make changes to the arrangement as long as service continues to be provided at the same Customer Premises. However, no additions to the arrangement or transfers/moves of service to new locations are permitted. |
| Type 3 | Customers may continue to use the obsoleted service arrangement and may move or transfer the service as required. However, no additions or changes to the service configuration is permitted. |
| Type 4 | Customers may continue to use the obsolete service arrangement. However, no additions, changes, moves or transfer of service are permitted. |
| Type 5 | Used to indicate that the terms and conditions associated with obsoleting the service are service-specific and stated in the pricing and service guide pages obsoleting the offering. |

Obsolete services are furnished subject to all rules and regulations of this pricing and service guide the same as would be applicable if the service offering were not obsolete. In addition, the Company reserves the right to revise rates, terms, conditions, rules and regulations associated with obsolete services from time to time.

9.3 Type 2 – Obsolete Services (continued)

9.3.16 Business Unlimited IntraLATA Plan (Obsoleted 9/04/07)

- (A) The Business Unlimited IntraLATA plan is a direct dial domestic outbound long distance voice service available to business Customers with one to twenty switched access lines, one BellSouth® Primary Rate ISDN (PRI) or one BellSouth® Integrated Solutions - T-1 (T-1). Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. The Business Unlimited IntraLATA plan provides unlimited interexchange (both interstate and intrastate) intraLATA toll calling which originates and terminates within the same intraLATA toll calling area for a monthly charge. Intrastate interLATA toll calls are provided at usage rates specified below. BellSouth® Primary Rate ISDN and BellSouth® Integrated Solutions - T-1 are services provided by the Company's affiliated incumbent local exchange entity.
- (B) All calls are billed in six (6) second increments after an initial period, for billing purposes, of thirty (30) seconds. This plan is only offered in conjunction with the corresponding intrastate Business Unlimited IntraLATA plan. This service is not offered on an intraLATA only basis. This plan does not provide call detail information on the Customer's monthly bill for eligible unlimited intraLATA calling. Customers may choose to receive this call detail information for an additional monthly charge.
- (C) Toll free service is available with this plan for Customers who also subscribe to AT&T Long Distance Toll FreeSM Service. The provisions and rates and charges of the AT&T Long Distance Toll FreeSM Service will apply as described in Section 4.7 of this Business Service Guide except that usage rates are specified below. (C)
- (D) In order to be eligible for this plan, the Company must be able to verify that the Customer meets the following eligibility requirements. If the Company determines that the Customer's use of service violates any of these restrictions the Company, at its sole option, may move the Customer to another plan or suspend, restrict or cancel the Customer's service without prior notice. Customers are eligible for this service if they meet the following requirements. (C)
1. Must have a business location with 20 business lines or fewer, or one PRI or one T-1 at a single location on a single billing account. Customers who exceed these line sizes are not eligible for this plan. All lines, PRI or T-1 at the location must subscribe to this plan;
 - .2 Must presubscribe to BellSouth Long Distance for both intraLATA and interLATA long distance service on all lines covered by this plan; and,
 - .3 Must be a local service Customer of the Company's affiliated local exchange entity on each line, PRI or T-1 at each location under this plan and subscribe to a local service contract offered by that entity for all lines covered by this plan and receive billing for this service from the Company's affiliated incumbent local exchange entity. SECTION 9 - OBSOLETE SERVICES

9.4 Type 4 - Obsolete Services

9.4.1 Business Country Select[®] Plan (Obsoleted 10/01/05)

- (A) The Business Country Select[®] plan is a direct dialed outbound international long distance service offered to Business Customers from switched access lines. Service is offered to each country on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.
- (B) All calls are billed in six (6) second increments after an initial period, for billing purpose, of thirty (30) seconds. This service is only offered in conjunction with any Business interstate service.
- (C) This plan allows Business Customers to designate one international country for which they will receive a discounted per minute rate. The Customer designates his/her selected country at the time the plan is selected and may change the selected country at any time. The Company reserves the right to limit the number of times the selected country is changed within a given period of time. Calls to non-selected countries will be billed at the regular rate.
- (D) Inbound international toll free service originated from locations within Canada is available to Customers of this service who also subscribe to AT&T Long Distance Toll FreeSM Service in Section 4.7 of this pricing and service guide. The rate table in Section 5.5.2 also contains the per minute rates for Inbound toll free service originating in Canada and terminating throughout the United States.

- (E) Term Plans¹ (C)

Term plan discounts are available for the Per Minute Rate for this plan. Term plan discounts do not apply to the MRC. Term plan discounts are available as follows:

Term	Discount %
One Year Term	5.00 %
Two Year Term	8.00 %
Three Year Term	14.00 %

- (F) Term plan Customers who cancel their plan prior to the end of the contract will be subject to a termination charge. The termination charge will be equal to the amount of the discount the Customer has received up to the point of cancellation.

- (G) International Mobile Termination Charge

See Section 5.7 of this pricing and service guide for the applicable International Mobile Termination Charge.

¹Effective July 31, 2015, Term Plans will no longer automatically renew. Existing Customers who continue to subscribe to this plan at the end of their Initial Term or Renewal Term will be billed at the regular, undiscounted plan rate. (N)

SECTION 9 - OBSOLETE SERVICES

9.4 Type 4 - Obsolete Services (continued)

9.4.2 International Advantage Plan (Obsoleted 10/01/05)

- (A) The International Advantage plan is a direct dialed outbound international long distance service offered to Customers from switched access lines. Service is offered to each country on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.
- (B) All calls are billed in six (6) second increments after an initial period, for billing purpose, of thirty (30) seconds. This service is only offered in conjunction with any of the Company's Business Interstate Services.
- (C) Inbound international toll free service originated from locations within Canada is available to Customers of this service who also subscribe to AT&T Long Distance Toll FreeSM Service in Section 4.7 of this pricing and service guide. The rate table in Section 5.6.2 also contains the per-minute rates for inbound toll free service originating in Canada and terminating throughout the United States.

(C) Term Plans¹

(C)

Term plan discounts are available for the Per Minute Rate for this plan. Term plan discounts do not apply to the MRC. Term plan discounts are available as follows:

Term	Discount %
One Year Term	5.00 %
Two Year Term	8.00 %
Three Year Term	14.00 %

- (D) Term plan Customers who cancel their plan prior to the end of the contract will be subject to a termination charge. The termination charge will be equal to the amount of the discount the Customer has received up to the point of cancellation.
- (E) International Mobile Termination Charge

See Section 5.7 of this pricing and service guide for the applicable International Mobile Termination Charge.

¹Effective July 31, 2015, Term Plans will no longer automatically renew. Existing Customers who continue to subscribe to this plan at the end of their Initial Term or Renewal Term will be billed at the regular, undiscounted plan rate.

INTEREXCHANGE, INTERSTATE AND INTERNATIONAL SERVICES**

SECTION 9 - OBSOLETE SERVICES

9.4 Type 4 - Obsolete Services (continued)

9.4.3 International Fixed Rate Plan (Obsoleted 10/01/05)

- (A) The International Fixed Rate plan is a direct dialed outbound international long distance service offered to Customers from switched access lines. Service is offered to each country on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.
- (B) All calls are billed in six (6) second increments after an initial period, for billing purpose, of thirty (30) seconds. This service is only offered in conjunction with any BellSouth® Business interstate service.
- (C) Inbound international toll free service originated from locations within Canada is available to Customers of this service who also subscribe to AT&T Long Distance Toll FreeSM Service in Section 4.7 of this pricing and service guide. The rate table in Section 9.4.3 (G) also contains the per-minute rates for inbound toll free service originating in Canada and terminating throughout the United States (see Canada - Inbound).

(D) Term Plans¹

(C)

Term plan discounts are available for the Per Minute Rate for this plan. Term plan discounts do not apply to the MRC. Term plan discounts are available as follows:

Term	Discount %
One Year Term	5.00 %
Two Year Term	8.00 %
Three Year Term	14.00 %

- (E) Term plan Customers who cancel their plan prior to the end of the contract will be subject to a termination charge. The termination charge will be equal to the amount of the discount the Customer has received up to the point of cancellation.
- (F) International Mobile Termination Charge

See Section 5.7 of this pricing and service guide for the applicable International Mobile Termination Charge.

¹Effective July 31, 2015, Term Plans will no longer automatically renew. Existing Customers who continue to subscribe to this plan at the end of their Initial Term or Renewal Term will be billed at the regular, undiscounted plan rate.

9.4.5 Business 3500 Minute Package Plan (Obsoleted 9/30/11)

- (A) The Business 3500 Minute Package plan is a domestic direct dialed outbound and domestic inbound toll free (8XX) long distance service offered to business Customers from switched or dedicated access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. For outbound calls Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. The Business 3500 Minute Package plan provides the Customer with 3500 minutes of outbound and inbound interexchange (both interstate and intrastate) long distance usage for a flat rate monthly charge. Additional usage over the initial 3500 minutes will be billed on a flat rate per minute basis. No term discount is applicable to this service. The 3500 plan minutes cannot be used for calls to 900 services, international calling, directory assistance or operator services calls. In order to be eligible for this plan, Customers must presubscribe to BellSouth Long Distance or the Company's affiliated incumbent local exchange entity for intraLATA service and must also presubscribe to BellSouth Long Distance for interLATA long distance service.
- (B) To receive toll-free service Customers must subscribe to the AT&T Long Distance Toll FreeSM Service. The provisions and rates and charges of the AT&T Long Distance Toll FreeSM Service will apply as described in Section 4.7 of this Business Service Guide except that usage rates are specified below.
- (C) All calls are billed in one (1) minute increments after an initial period, for billing purposes, of one (1) minute. This service is only offered in conjunction with the corresponding intrastate Business 3500 Minute Package plan. This service is not offered on an intraLATA only basis.
- (D) The MRC is \$748.00, and the per-minute usage rate is \$0.178 for calls completed after the 3,500 minute block of time has been used. This charge is the same as the MRC identified in the Company's state specific service guides/price lists/tariffs. (I)

9.4.18 AT&T Business International CallingSM III (Obsoleted December 31, 2011)

(F) Term Plans¹ (C)

Term plan discounts are available for the Per Minute Rate for this plan. Term plan discounts do not apply to the MRC. Term plan discounts are available as follows:

Term Plan Discounts

Term Plan	Discount %
One Year Term	5.00%
Two Year Term	8.00%
Three Year Term	14.00%

(G) Termination Charge

Term plan Customers who cancel their plan prior to the end of the contract will be subject to a termination charge. The termination charge will be equal to the amount of the discount the Customer has received up to the point of cancellation.

9.4.19 Business Worldwide Plan (Obsoleted December 31, 2011)

(A) The Business Worldwide plan is a direct dialed outbound international long distance service offered to Customers on switched access lines. Service is offered to each country on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.

(B) All calls are billed in six (6) second increments after an initial period, for billing purposes, of thirty (30) seconds. This service is only offered in conjunction with any of the Company's Business interstate service.

(C) Inbound international toll free service originated from locations within Canada is available to Customers of this service who also subscribe to AT&T Long Distance Toll FreeSM Service in Section 4.7 of this Business Service Guide. The rate table in Section 9.4.19 (E) also contains the per-minute rate for AT&T Long Distance Toll FreeSM Service originating in Canada and terminating throughout the United States (Canada - Inbound).

(D) International Mobile Termination Charge

See Section 5.7 of this Business Service Guide for the applicable International Mobile Termination Charge.

¹Effective July 31, 2015, Term Plans will no longer automatically renew. Existing Customers who continue to subscribe to this plan at the end of their Initial Term or Renewal Term will be billed at the regular, undiscounted plan rate.

SECTION 9 - OBSOLETE SERVICES

9.4 Type 4 – Obsolete Services (continued)

9.4.20 Business International Savings Plan (Obsoleted December 31, 2011)

(C)/1/

(A) The Business International Savings plan is a direct dialed outbound international long distance service offered to Business Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Per minute charges apply and will be based on the country called and the duration of the call. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.

/1/

(B) All calls are billed in six (6) second increments after an initial period, for billing purposes, of thirty (30) seconds. This service is only offered in conjunction with any BellSouth® Business interstate service. MMU charge applies to this service. The Customer will be billed the minimum usage charge if actual usage is below the commitment level in any month. Usage over the minimum usage charge may be carried over to future months to satisfy the commitment.

(C) International Mobile Termination Charge

See Section 5.7 of this pricing and service guide for the applicable International Mobile Termination Charge.

/1/

(D) The MMU charge is \$24.95 and the per-minute usage rates are as follows:

9.4 Type 4 – Obsolete Services (continued)

9.4.28 AT&T Business Unlimited CallingSM III (Obsolete May 31, 2012) /1/(C)

- (B) A single business entity with more than one BTN at the business entity's physical service location is eligible for this plan on one (1) BTN only, provided the total number of AT&T business access lines# do not exceed ten (10) at that location. Additionally, service under this plan is limited to one BTN with one (1) to four (4) business access lines# per legal business entity. /1/
- (C) The Customer may subscribe to this plan for outbound Service only, or for both outbound Service and inbound toll free calling. Customers subscribing to the plan receive unlimited domestic 1+ direct-dialed outbound calling. Where a Customer subscribes to AT&T Long Distance Toll FreeSM Service, inbound toll free calls may originate on any type of access and are terminated via Switched Access to the Customer's location. (See Section 4.7 and Section 4.8 of this Business Service Guide for optional feature, rules and regulations, and general information regarding AT&T Long Distance Toll FreeSM Service.).
- (D) Inbound switched toll free calls and fully automated operator assisted, and operator dialed calls billed to the calling card are not included in the unlimited MOUs. Toll free calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds. Calling card calls are billed in one (1) minute increments subject to a minimum connect time (initial period) of one (1) minute. Toll free calls and calling card per minute rates and per call charges associated with this plan are subject to change with prior notification to the Customer.
- (E) Call Detail is available as an optional feature to this plan. For an additional MRC, Customers who select this option will receive itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following a Customer's request. Customers may add or remove the Call Detail optional feature from this plan at no charge.
- (F) AT&T All For Less Subscriber 2-Year (24 Month) Agreement
- .1 If during the 2-Year term the Customer adds or removes access lines# under this plan, the 2-Year term will restart for a new 2-Year term. Customers who remain on this plan at the expiration of the 2-Year term will be billed on a month-to-month basis at the rates defined below in Section 4.25.8.
- .2 If prior to the expiration date of the 2-Year agreement the Customer chooses to terminate long distance service with the Company, the Customer may be charge the following Early Termination Fee (ETF) based on Option 1, Option 2, or Option 3 defined above:
- Option 1 - \$5.00 multiplied by the number of months remaining in the term
 - Option 2 - \$2.50 multiplied by the number of months remaining in the term
 - Option 3 - \$2.50 multiplied by the number of months remaining in the term
- .3 If the Company no longer offers this plan and if the Customer: (a) moves to a new location; or, (b) changes the number of access lines# under the BTN(s) to which this plan applies, then Customer's service under this plan will terminate, and Customer will not be subject to termination charges. (G) Restrictions

/1/

- .1 All business access lines# and/or working lines under the participating BTN must be provisioned on this plan and term discounts do not apply to this plan.
- .2 This plan is provided for standard voice calling involving live dialog between individuals. This plan is not intended for use as a substitute for dedicated or open circuits, or similar applications. This plan may not be used for data connections, including but not limited to, modem to modem calls, remote access applications, Internet access, or Intranet access, including access to corporate LANs. Additionally, this plan may not be used for dedicated point-to-point connections between equipment that leaves a circuit connected without a contemporary, continuous voice communication. This plan may not be used for any of the following: auto dialers; PBX trunks; ground start line or trunks; ISDN service, including PRI; foreign exchange services; Remote Call Forwarding/Telebranch Service; public telephone service; public access smart-pay phones; analog to digital conversion; digital PBX service, including local access provisioned via T-1 facilities; WATS service; PBX/PABX/EABX services; non-square electronic key telephone systems; hybrid key telephone systems; predictive calling/dialing systems; automatic outbound dialing systems; any type of automatic call distribution system; or the functional equivalent of any such systems listed above. This plan may be used for fax transmissions, excluding broadcast fax applications. If the Company determines that the Customer is in violation of the above listed restrictions, the Customer shall forfeit eligibility for rates under this plan and will be moved to Business MTS unless an alternative plan is selected by the Customer. If, during a billing cycle, the Customer has more than 10 calls to any single number of a duration of more than 3 hours each or any single call of greater than 10 hours of duration, the Customer will be presumed to be in violation of these restrictions. In such case, Customer may be asked to provide reasonable proof to the Company that it is not using the Service for a prohibited purpose. Failure to provide such proof to the Company shall be treated as a violation of the terms and conditions of this Plan.
- .3 If the Company determines that the Customer is in violation of any of the restrictions listed above and/or the total number of Access Lines# exceeds the maximum of ten (10), the Customer shall forfeit eligibility for rates under this plan and will be moved to Business MTS unless an alternative plan is selected by the Customer. If moved to Business MTS, the rates associated with Business MTS will apply in lieu of the rates specified below.

- (D) TFS calls, multi-party conference calls (except those calls placed by using the Three-Way Calling feature are included), calls to 900, 976, 700 numbers or other calls to access information services, directory assistance, calling card, operator services and international calling are not included in the unlimited minute of use. TFS calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds. Calling card calls are billed in one (1) minute increments subject to a minimum connect time (initial period) of one (1) minute. TFS calls and calling card per minute rates and per call charges associated with this plan are subject to change with prior notification to the Customer.
- (E) Call Detail is available as an optional feature to this plan. For an additional MRC, Customers who select this option will receive itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following a Customer's request. Customers may add or remove the Call Detail optional feature from this plan at no charge.
- (F) Term Agreement
 - .1 1-Year term agreements may be oral agreements that do not require a signed Agreement. 2-year term agreements require a signed Agreement.
 - .2 Written agreements must be signed under any method accepted by the Company, including electronically, and must be received by the Company within thirty (30) calendar days from the order date. If the Company does not receive the Customer's signed agreement within the thirty (30) calendar days, and the Service has been provisioned in reliance on the Customer's order for Service, the Service will be provided on a month-to-month basis and the Customer will be billed the month-to-month rates specified in Section 4.6.25(I).
 - .3 The 1-Year agreement includes an option to re-subscribe for up to two additional 1-Year terms. AT&T will provide Customer a confirmation letter outlining the details of the agreement. In addition, AT&T will provide subsequent notifications regarding the upcoming re-subscription option at least 60 days prior to the expiration date of the initial and first renewal term (if applicable); and, unless Customer requests otherwise before the expiration date, a new 1-Year renewal term will commence under the same terms and conditions. Should Customer decide to disconnect the Service prior to the expiration of any 1-Year term, Customer may be liable for early termination charges. At the end of the second renewal, the Customer will be billed the month-to-month rates specified in Section 4.6.25(I).
 - .4 If the Customer selects the 2-Year term, at the expiration of the 2-Year term the Customer will be billed the month-to-month rates specified in Section 4.6.25(I).

(F) Term Agreement (continued)

- .5 If the Company no longer offers this Plan, and if the Customer moves to a new location or changes the number of access lines# under the BTN(s) to which this Plan applies then the Customer's Service under the Plan will terminate, and the Customer will not be subject to termination charges.

(G) Early Termination Fee

- .1 If prior to the expiration date of the initial or any renewal term, Customer chooses to either:
- .a terminate long distance service with the Company; or,
 - .b change its calling plan from the AT&T Business Unlimited CallingSM V prior to the expiration of the Term Agreement, the Customer may be charged an early termination fee ("ETF"). The ETF shall be \$5.00 multiplied by the number of months remaining in the term. Customer may change its calling plan to the AT&T Business Block of Time II Plan (rate option 500 minutes or greater) as specified in Section 4.6.24 of this Service Guide; in such case, ETF shall not apply.
- .2 The Company will not charge an ETF if Customer cancels this Plan if at the same time the Customer agrees to replace some or all of their existing service with Internet Protocol (IP) service, Wireless, or any functionally equivalent service from an Affiliate of the Company for the purpose of placing outbound and/or inbound live voice communications outside of the Customer's local calling area.

- (H) This plan is provided for standard voice calling involving live dialog between two individuals. This plan is not intended for use as a substitute for dedicated or open circuits, or similar applications. This plan is not available for resale. This plan may not be used for data connections, including but not limited to, modem to modem calls, remote access applications, Internet access, or Intranet access, including access to corporate LANs. Additionally, this plan may not be used for dedicated point-to-point connections between equipment that leaves a circuit connected without a contemporary, continuous voice communication. This plan may not be used for any of the following: auto dialers; PBX trunks; ground start line or trunks; ISDN service, including PRI; foreign exchangeservices; Remote Call Forwarding/Telebranch Service; public telephone service; public access smart-pay phones; analog to digital conversion; digital PBX service, including local access provisioned via T-1 facilities; WATS service; PBX/PABX/EABX services; non-square electronic key telephone systems; hybrid key telephone systems; predictive calling/dialing systems; automatic outbound dialing systems; any type of automatic call distribution system; or the functional equivalent of any such systems listed above. This plan may be used for fax transmissions, excluding broadcast fax applications. If the Company determines that the Customer is in violation of the above listed restrictions, the Customer shall forfeit eligibility for rates under this plan and will be moved to Business MTS unless an alternative Plan is selected by the Customer. If, during a billing cycle, the Customer has more than 10 calls to any single number of a duration of more than 3 hours each or any single call of greater than 10 hours of duration, the Customer will be presumed to be in violation of these restrictions. In such case, Customer may be asked to provide reasonable proof to the Company that it is not using the Service for a prohibited purpose. Failure to provide such proof to the Company shall be treated as a violation of the terms and conditions of this plan.

9.5 Type 5 – Obsolete Services

9.5.1 Business Unlimited Plan* (Obsoleted January 31, 2012)

/1/(C)

(A) The Business Unlimited plan is a direct dialed domestic outbound long distance voice service offered to business Customers with one to twelve switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. The Business Unlimited plan provides the Customer with unlimited minutes of interexchange (both interstate and intrastate) long distance usage for a flat rate monthly charge (certain restrictions, as outlined below, do apply). This plan does not provide call detail information on the Customer's monthly bill for usage eligible for unlimited calling but does provide call detail information for usage not included in the unlimited calling. Customers may choose to receive this call detail information for an additional monthly recurring charge. This service is only offered in conjunction with the corresponding intrastate Business Unlimited plan. This service is not offered on an intraLATA only basis. /1/

(B) Toll free service is available with this plan for Customers who also subscribe to the AT&T Long Distance Toll FreeSM Service. The provisions and rates and charges of the AT&T Long Distance Toll FreeSM Service will apply as described in Section 4.7 of this Business Service Guide except that usage rates are specified below. Toll free usage is not included in the unlimited usage.

(C) In order to be eligible for this plan, the Company must be able to verify that the Customer meets the following eligibility requirements. If the Company determines that the Customer's use of service violates any of these restrictions the Company, at its sole option, may move the Customer to another plan or suspend, restrict or cancel the Customer's service without prior notice. Customers are eligible for this service if they meet the following requirements:

- .1 Customers must be new or existing subscribers to the Company and must also be new or existing subscribers to the Company's affiliated incumbent local exchange carrier. Customers must subscribe to Complete Choice[®] For Business plan offered by the Company's affiliated incumbent local exchange carrier on each line at each location under this plan. The Customer must also receive billing for each of these services from the Company's affiliated incumbent local exchange carrier.
- .2 At the time of subscription to this plan, Customers must subscribe to a local service term agreement with the Company's affiliated incumbent local exchange carrier.
- .3 This plan is available to business Customers with one to twelve business lines at a single location and on a single billing account. All lines at the location must subscribe to this plan. /1/

/1/ Material formerly appeared in Section 4 on Page 33.

* Effective January 31, 2012, the Business Unlimited Plan is no longer available to new Customers or existing Customers who move locations or transfer service to another location. SECTION 9 - OBSOLETE SERVICES

9.5 Type 5 – Obsolete Services (continued)

9.5.2 AT&T Business Unlimited CallingSM IV (continued)

/1/

- (C) A single legal business entity with more than one BTN at that legal business entity's physical service location is eligible for this plan on one (1) BTN only, and only if the total number of business access lines# does not exceed ten (10) at that location. Additionally, service under this plan is limited to one BTN with one (1) to ten (10) business access lines# per legal business entity.
- (D) The Customer may subscribe to this plan solely for outbound long distance calling, or for both outbound long distance calling and inbound toll free calling. Customers subscribing to the plan receive unlimited domestic 1+ direct-dialed outbound calling. Where a Customer subscribes to TFS, inbound toll free calls may originate on any type of access and are terminated via Switched Access to the Customer's location. See Section 4.7 of this Business Service Guide for optional features, rules and regulations, and general information regarding TFS.
- (E) TFS calls, calls to 900, 976, 700 numbers or other calls to access information services, directory assistance, operator services and international calling are not included in the unlimited minutes of use. Toll-free calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds. TFS calls per minute rates associated with this plan are subject to change with prior notification to the customer.
- (F) Restrictions

This plan is provided for standard voice calling involving live dialog between individuals. This plan is not intended for use as a substitute for dedicated or open circuits, or similar applications. This plan may not be used for data connections, including but not limited to, modem to modem calls, remote access applications, Internet access, or Intranet access (including access to corporate LANs). Additionally, this plan may not be used for dedicated point-to-point connections between equipment that leaves a circuit connected without a contemporary, continuous voice communication. The plan may not be used for auto dialers; PBX trunks; ground start line or trunks; ISDN service, including PRI; foreign exchange services; Remote Call Forwarding/Telebranch Service; public telephone service; public access smart-pay phones; analog to digital conversion digital PBX service, including local access provisioned via T-1 facilities; WATS service; PBX/PABX/EABX services; nonsquare electronic key telephone systems; hybrid key telephone systems; predictive calling/dialing systems; automatic outbound dialing systems; any type of automatic call distribution system; or the functional equivalent of any such systems listed above. This plan may be used for fax transmissions, excluding broadcast fax applications (which are prohibited). Where customer has more than 10 calls to any single number of a duration of more than 3 hours each during a billing cycle or any single call of greater than 10 hours of duration, Customer will be presumed to be in violation of these restrictions. In such case, Customer may be asked to provide reasonable proof to the Company that it is not using the Service for a prohibited purpose. Failure to provide such proof to the Company shall be treated as a violation of the terms and conditions of this plan.

(G) Call Detail

Call Detail is available as an optional feature to this Plan. For an additional MRC Customers who select this optional feature will receive the itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following Customer's request. Customers may add or remove the Call Detail optional feature from this Plan at no charge.

(H) Early Termination Fee (ETF)

.1 If prior to the expiration date of the Term Agreement, the Customer chooses to either: (a) terminate long distance Service with the Company; or (b) change its calling Plan from AT&T Business Unlimited CallingSM IV prior to the expiration of the Term Agreement, the Customer may be charged an Early Termination Fee ("ETF"). The ETF shall be \$2.50 multiplied by the number of months remaining in the term. Customer may change its calling Plan to the AT&T Business Block of Time II Plan (rate option 700 minutes or greater) as specified in Section 4.6.24 of this Business Service Guide; in such case ETF shall not apply.

.2 The Company will not charge an ETF if Customer cancels this Plan if at the same time the Customer agrees to replace some or all of their existing service with Internet Protocol (IP) service, Wireless, or any functionally equivalent service from an Affiliate of the Company for the purpose of placing outbound and/or inbound live voice communications outside of the Customer's local calling area.

(I) Rates and Charges:

(A) The outbound long distance MRC is as follows:

.1	1-Year Term	\$10.00 per access line [#]
.2	Month-to-Month	\$10.00 per access line [#]

Customers will receive a monthly bill credit reward amount equal to \$5.00 per line for the duration of the 1-Year Term Agreement. During the 1-Year Term, Federal Universal Service Fee, Federal Regulatory Fee, taxes and other similar fees and surcharges will be calculated on the MRC prior to the calculation of the monthly bill credit reward amount.

(B) The AT&T Long Distance Toll FreeSM Service per-minute usage rate is \$0.055. For the AT&T Long Distance Toll FreeSM Service MRC, see Section 4.7 of this Business Service Guide.

(C) For operator services and directory assistance rates and charges, see Section 4.2 and Section 6.1.1.

(D) Call Detail

The MRC is \$5.00/line up to ten (10) lines.
