

INTERSTATE INTRALATA TOLL SERVICES

3.4 Optional Calling Plans

Optional Calling Plans (OCPs) are optional service offerings that provide customers with toll telephone services that enable calling within a single local access and transport area (LATA). The interstate OCPs in this Guidebook are provided on a detariffed basis, pursuant to your Service Agreement with AT&T, and enable customers to make intra-LATA calls that cross a state boundary. These interstate OCPs are provided at interstate rates, terms and conditions that are the same as the intrastate rates, terms and conditions for intrastate OCPs. Intrastate OCPs are provided pursuant to the state Tariff, Price List or Guidebook listed below and enables customers to make intra-LATA calls that do not cross a state boundary. To obtain information about the intrastate rates, terms and conditions for the intrastate OCPs available to customers in a particular state, click on the link below for the corresponding state Tariff, Price List or Guidebook, the terms of which are incorporated by reference into this Guidebook. 3.4 Optional Calling Plans (Cont'd)

3.4.4 CompleteLink 2.0 Service

(N)

3.4.4.1 Description

CompleteLink 2.0 Service is an optional calling plan service that combines outbound, toll free inbound, and calling card types of intraLATA long distance usage into a single simplified calling plan.

3.4.4.2 Terms and Conditions

In addition to the regulations set forth in other portions of this Guidebook, the following terms and conditions apply to this service:

- (A) CompleteLink 2.0 prices apply to Customer-Dialed Station-to-Station and calling card intraLATA long distance usage. Operator Service Charges for Calling Card calls are not included with this service.
- (B) CompleteLink 2.0 is available to business end users of local exchange services (excluding Coin and Semi-Public).
- (C) CompleteLink 2.0 cannot be combined with any other optional calling plan.
- (D) CompleteLink 2.0 usage is billed in initial increments of eighteen (18) seconds, and additional increments of six (6) seconds or fraction thereof.
- (E) No service charges are applicable to establish or change to CompleteLink 2.0.
- (F) CompleteLink 2.0 is available on a one (1), two (2), three (3)⁽²⁾ or five (5)⁽¹⁾ year Term Plans.
- (G) At the expiration of the selected CompleteLink 2.0 term, if the Customer does not indicate election of a new term plan, the rates will revert to the highest CompleteLink 2.0 per minute rate.
- (H) Specific to this Guidebook, CompleteLink 2.0 Customers who terminate their one, two, three or five-year Term Plans before the expiration date of the agreement will not be subject to termination charges.

⁽¹⁾ For new agreements established on or after October 10, 2012, the five-year term agreement will no longer be available.

⁽²⁾ For agreements established on or after October 3, 2013, the 3-year term agreement will no longer be available.

3.4 Optional Calling Plans (Cont'd)

D. Prices

(N)

Usage Prices per Minute of Use

<u>1-Year</u>	<u>2-Year</u>	<u>3-Year</u> ⁽³⁾	<u>5-Year</u> ⁽²⁾
\$0.12	\$0.115	\$0.11	\$0.10

Example: 40 Second - 3-Year Term Agreement
(Each additional 6 second increment equals \$0.11)

1st 18 seconds	\$ 0.033
3 - 6-second increments	0.033
1 - fraction of 6-second increment	<u>0.011</u>
Total	\$ 0.080

Example: 90 Second - 1-Year Term Agreement
(Each additional 6 second increment equals \$0.12)

1st 18 seconds	\$ 0.036
12 - 6-second increments	0.144
0 - fraction of 6-second increment	<u>0.000</u>
Total	\$ 0.180

Example: 120 Second - 5-Year Term Agreement
(Each additional 6 second increment equals \$0.10)

1st 18 seconds	\$ 0.030
17 - 6-second increments	0.170
0 - fraction of 6-second increment	<u>0.000</u>
Total	\$ 0.200

<u>Description</u>	<u>Nonrecurring Charge</u>
Inbound Optional Features	\$82.50 ⁽¹⁾

⁽¹⁾ This charge does not apply when these features are established at the same time as a CompleteLink plan 1, 2, 3 or 5-year Term Plan.

⁽²⁾ For new agreements established on or after October 10, 2012, the 5-year term agreement will no longer be available.

⁽³⁾ For agreements established on or after October 3, 2013, the 3-year term agreement will no longer be available.
