EXTENSION SERVICE CHANNEL PRICES**General**

Channels are furnished within an Exchange Area to extend the termination of Exchange Service or Wide Area Telecommunications Service (WATS) to another premises or to another building on the same premises.

In addition to the provisions found elsewhere in this Guidebook the following provisions apply to Extension Service channels.

Scope of Service

Where the customer provides his own communications system the customer shall provide the facilities required to extend the use of his system to another building on the same premises.

Signaling Arrangements are furnished for use with grandfathered and registered PBX's (or switching systems which present a PBX like network interface) in accordance with Part 68 of the Federal Communications Rules and Regulations. They are required on Local Distribution Channels which extend PBX (or similar) main and extension station lines to another premises for Telephone Company-provided equipment or customer-provided equipment.

Channel Service Types and Description

Local Distribution Channels

Required to extend terminations of Exchange Service or WATS to another premises. For off-premises extension service of all types of Exchange Services and WATS other than PBX main and extension station lines one Type 2011 or Type 2017 Local Distribution Channel is required to connect the serving central office to the premises where the extension service is located. For off-premises PBX (or similar) main and extension station lines one Type 2014 Local Distribution Channel is required to connect the serving central office to the premises where the PBX is located and one Type 2014 Local Distribution Channel is required to connect the serving central office to the premises where the off-premises main or extension station line is located.

- Type 2014 A two-wire interface with effective two-wire facilities furnished for PBX (or similar) off-premises main and extension station lines capable of operating over loops with resistance up to 1300 ohms; with Type A, B or C Signaling Arrangement. Available for intraexchange service.
- Type 2017 A two-wire interface with effective two-wire facilities engineered for off-premises extension use with Wide Area Telecommunications Service and capable of a 1000 Hz loss objective of 0 to 8dB. Available for intra-exchange service.

Continuous Property Channels

Required to extend terminations of WATS or Exchange Service including PBX (or similar) main and extension station lines to a location in another building on the same continuous property.

Inter-office Channels

Required to connect serving central offices when the main station location and off-premises location are in different serving central offices.

Inter-office Channel Terminals

Required to terminate each end of an Inter-office Channel.

Signaling Arrangements

Type A, B and C Signaling Arrangements are required for use with PBX (or similar) off-premises main or extension station lines.

EXTENSION SERVICE CHANNEL PRICES (cont'd)**Channel Service Types and Description (cont'd)**

Signaling Arrangements (cont'd)

- Type A Furnished for use with Class A PBX (or similar) station ports capable of operation over loops with resistance in the range of 0-199 ohms.
- Type B Furnished for use with Class B PBX (or similar) station ports capable of operation over loops with resistance in the range of 200-899 ohms.
- Type C Furnished for use with Class C PBX (or similar) station ports capable of operation over loops with resistance in the range of 900 ohms or more.

For connection to registered PBX (or similar) equipment, customers must specify the equipment capability, i.e., Type A, B, or C port of the registered equipment.

For connections to grandfathered customer-provided PBX (or similar) equipment, customers must specify the equipment capability for use with Type A, B, or C Signaling Arrangements.

Based on information provided by the customer, the Telephone Company will furnish the appropriate Signaling Arrangement. Where the requested Signaling Arrangement is furnished and determined to be of lesser signaling range than required, and the customer requests the Telephone Company to furnish another Signaling Arrangement, such request will be treated as a new request for service and appropriate Service Charges will apply.

Customers with grandfathered PBX (or similar) equipment requesting new Local Distribution Channel service will be classified as either a Class A, B, or C station port and the corresponding Type A, B, or C Signaling Arrangement, at appropriate rates and charges, will apply.

One Signaling Arrangement is required for each Local Distribution Channel connected to the PBX (or similar) station port for service furnished as specified above.

\$6 FOR 12 ACCESS LINE RETENTION OFFER

Effective January 1, 2021, this offer is no longer available to new subscribers. Existing subscribers may retain the 12-month credit through the end of their promotion period. (N)
(N)

Eligible residence customers with flat rate service who call to disconnect their access line(s) and then decide to retain the flat rate line(s) and have, or newly subscribe to a Custom Calling feature per line, will receive a \$6.00 bill credit per month, per line.

Eligible customers will receive a \$6.00 bill credit per month, per line for up to two flat rate access lines, for a maximum of 12 months. Eligible customers must keep the required services for 30 days to receive the benefit of the offer.

The customer's bill will be credited \$6.00 each month per line that both the access line(s) and the Custom Calling feature(s) are retained. If the customer disconnects the line(s) or the required feature(s) or moves from their current location, the remaining benefits will cease.

This offer may not be combined with any other Company residence retention offers that provide a monthly discount. Customers subscribing to Complete Choice Enhanced must have the access line in service for a minimum of 60 days, before becoming eligible for this offer.

EASY RATE

A. Description

Easy Rate is an optional business package for customers with a minimum of 40^{/1/} business exchange access lines that includes the network access line, unlimited local usage, central office features, and optional hunting.

B. Terms and Conditions

1. Easy Rate is available to business customers with a minimum of 40^{/1/} business exchange access lines. Line counts may be combined from any state where an AT&T ILEC provides local service and where the Easy Rate plan is also available to meet the 40^{/1/} line minimum requirement. All the customer's lines must be subscribed to Easy Rate.
2. All lines will include unlimited local usage service, customer selected vertical services (optional), and hunting (optional) at the package price per line as shown in *D. Prices* following.
3. If an account falls below the 40^{/1/} minimum required Easy Rate lines, prices will revert to applicable monthly individual rates for each component of the Easy Rate package, as shown in *C. References* following. Customers must specifically request to be returned to Easy Rate, if desired, if their account line total returns to the 40^{/1/} line minimum.
4. Easy Rate is available only on flat rate business exchange access lines (1FB and 1FH class of service). Other class of service lines or types must be established on a separate account and billed separately.
5. Easy Rate is not available on FX Service, Remote Call Forwarding Service, WATS/800 services^{/2/}, (C) PBX Trunks, DID, Centrex, ISDN services, or Semi-Public Coin services.
6. Easy Rate is available with any or all of the following available vertical services per line. The package price is the same regardless of the number of these services selected. Easy Rate customers can choose to activate or deactivate any of these vertical services on any line at any time. Normally applicable nonrecurring service charges are waived when adding or activating the following vertical services on existing lines.

Caller ID	Call Waiting	Automatic Callback
Caller ID With Name	Call Forwarding	Call Screening
Speed Calling 30	Three-Way Calling	Repeat Dialing

^{/1/} The minimum line requirement for Easy Rate agreements established between September 9, 2013 and June 20, 2018 shall be reduced to 10.

^{/2/} Effective December 31, 2021, WATS/800 Services are withdrawn for residential customers. (N)

EASY RATE (cont'd)

B. Terms and Conditions (cont'd)

7. Except as provided below, Non-Recurring Charges (NRCs) shall be waived for Easy Rate Customers for 1) the establishment of all local exchange access lines and associated vertical features ordered at the time of initial subscription to Easy Rate; and 2) NRCs shall also be waived for Easy Rate Customers changing to/from hunting service. NRCs will apply to stand alone features added to an existing Easy Rate account when such features are added subsequent to the initial subscription. NRCs shall not be waived for Customers subscribing to a Month-to-Month plan. (N)

AT&T BUSINESS LOCAL CALLING ASSURANCE**A. Description**

AT&T Business Local Calling Assurance is an optional business package that includes a flat rate network access line, Caller ID, Caller ID With Name, and Call Forwarding services.

B. Terms and Conditions

1. AT&T Business Local Calling Assurance is available to Eligible Business customers with 1 to 5 business lines who agree to a 12-Month^{/2/} or 24-Month^{/1/} term and commit to the flat rate Network Access Line service, Unlimited Local Usage service (includes Band A & B calling only), Caller ID, Caller ID with Name, and Call Forwarding service. Customers may also subscribe to Business Local Calling Assurance on a Month-to-Month basis at prices shown in paragraph D, following. (C)

Eligible customers are existing Business customers who have received a competitive offer and are considering switching their Business Local Exchange Access Line service to another carrier (proof of competitive offer may be required), as well as Business customers who have their exchange access line service with another competitive local exchange carrier within the AT&T service area, and who now wish to establish their business local exchange access line service with the Company. This eligibility requirement is not applicable to customers with existing AT&T Business Local Calling Assurance service prior to September 1, 2016.

2. AT&T Business Local Calling Assurance is only available to customers that require 1 to 5 individual business exchange network access lines, and is not available on FX Service, Remote Call Forwarding, WATS access lines, PBX Trunks, Centrex, or Semi-Public Coin services.
3. A customer may have up to 5 lines maximum per location subscribed to an AT&T Business Local Calling Assurance agreement.
4. Eligible customers will receive a waiver of normally applicable service ordering and line connection nonrecurring charges (NRC's) associated with local exchange access lines ordered at the time of initial subscription to AT&T Business Local Calling Assurance. Standard NRC's will apply to services added after the initial order.
5. Prior to January 2, 2015, the 12-month term^{/1/} was available as an oral re-subscribe agreement. Under which the customer will have the right to re-subscribe to a new 12-month term at the same terms and conditions^{/1/} upon expiration of the term. The customer may elect to re-subscribe for a maximum of two additional 12-month terms^{/1/}. The customer will receive a written confirmation of service upon initial installation of the service. In addition, the customer will be notified prior to the expiration of their 12-month agreement that upon expiration the rates will revert to month-to-month rates, or they have the option to re-subscribe for a new 12-month term^{/1/}. Customers are under no obligation to re-subscribe after completion of any 12-month term.

/1/ Effective January 2, 2015, the 24-Month term option, and the 12-month re-subscription option are Grandfathered and no longer available to new subscribers. Customers cannot subscribe to a new 24-month term, or a new 12-month term that includes a re-subscription option. Customers with an existing 12-month re-subscription agreement remain eligible for the options described in paragraph 5.

/2/ Effective March 1, 2017, the 12-Month term option is Grandfathered and no longer available.

AT&T BUSINESS LOCAL CALLING ASSURANCE (cont'd)

B. Terms and Conditions (cont'd)

6. At the expiration of the agreed to term, rates will revert to the applicable non-term individual rates for each component of the package, as shown in C. References, following. Effective with new subscriptions beginning on or after February 28, 2011, the fixed monthly rate provided with this service continues after the end of the customers term period. All lines under these subscriptions will no longer be price protected after the expiration of the term, unless the customer agrees to a new 12-month term.
7. As of February 15, 2010, termination charges will no longer apply to either new or existing agreements.
8. This offer cannot be combined with other access line, usage, or feature discount offers.

AT&T BUSINESS LOCAL CALLING (cont'd)**B. Terms and Conditions (cont'd)**

12. Service Ordering and Line Connection nonrecurring charges (NRCs) associated with the establishment of all local exchange access lines that are subscribed to AT&T Business Local Calling, as well NRCs, if applicable, associated with vertical features ordered at the time of initial subscription to AT&T Business Local Calling may apply. Service charges associated with changing to/from hunting service, if applicable, will also apply. Standard NRCs will apply to stand alone features added to an existing AT&T Business Local Calling account when such features are added subsequent to the initial subscription.
13. Customer may purchase Business Local Calling for a 12-month term via a written or oral agreement. The agreement will automatically renew in successive 12-month terms unless, prior to expiration of the then-existing term, either party (Customer or Company) provides the other 30-days written notice that it does not wish to renew the agreement. Absent such notification, upon renewal a new 12-month term commences at the rates for 12-month term then in effect in *G. Prices* on the date of renewal, subject to Company-initiated rate adjustment.^{/1/}

When Business Local Calling (BLC) 1-19 line package is purchased as part of a Bundle Offer (i.e. an offer for the purchase of multiple AT&T services at a discount), customer agrees to maintain the Bundle Offer for the applicable term. The price of the BLC service portion of the Bundle is valid until one of the following events occurs, at which time the price will increase:

- (1) the term of the Bundle Offer expires,
- (2) customer changes the BLC service address, or
- (3) customer drops one of the AT&T services in the Bundle Offer, or

If customer is no longer eligible for the Bundle Offer price for the reasons described above, but has time remaining on the Bundle Offer term, the price for the BLC service will increase to the then-existing 12-month term price.

14. Applicable local, state, and federal charges, taxes, 911 fees, and the End User Common Line charge are in addition to the line option prices listed in *G. Prices* following.
15. Reserved for Future Use
16. Lines subscribed to an AT&T Business Local Calling account cannot be placed on Temporary Suspension.

/1/ Effective June 12, 2024, Business Local Calling term plans of any length will automatically renew as described in B. 13 above.

AT&T BUSINESS LOCAL CALLING (cont'd)

B. Terms and Conditions (cont'd)

- 17. Business customers in certain exchanges who subscribe to AT&T Business Local Calling with 1 to 19 lines will receive an additional monthly discount off the standard prices for Options A and B as shown in *G. Prices* following. The additional monthly discount will apply for the life of the term plan based on the number of lines subscribed to on the initial order. This discount does not apply to monthly extension rates. Eligible exchanges include: Edinburg, Flat Rock, Lebanon, Martinsville, Mechanicsburg, Morgantown, Nashville, Paragon, Waveland and all exchanges in the 317 area code. All other terms and conditions applicable to AT&T Business Local Calling, as appropriate, will apply. This discount may not be combined with the Business Access Line Save The Deal offer.
- 18. This paragraph is applicable only to AT&T Business Local Calling lines without the AT&T All for Less offer (see Paragraph 21 for AT&T Business Local Calling lines with the All for Less offer).

Existing customers who are not on a voice package term plan or who have less than six (6) months remaining on their voice package term plan, who communicate a desire to disconnect their lines then reconsider and keep the lines, and who subscribe to a new AT&T Business Local Calling agreement for at least a 1-year term will receive a monthly credit, as follows:

For Service Agreements entered into on or after May 10, 2024, the credit is \$60.00 per eligible access line, up to a maximum of 19 lines, for 12 months. At no time will	(N)
These credits rendered exceed \$13,680 per customer.	 (N)
	(D)

The customer must agree to subscribe all their lines to AT&T Business Local Calling in order to receive the credit. If any lines are disconnected during the call, then the remaining lines are not eligible for this credit. Those customers who initially refuse a new AT&T Business Local Calling offer will be eligible to receive a monthly credit, as follows:

For Service Agreements entered into between June 2, 2016 and December 10, 2023, the credit is \$12.00 per eligible access line, up to a maximum of 19 lines, for 12 months. At no time will these credits rendered exceed \$2,736.00 per customer. Effective December 11, 2023, this offer is no longer available.	(C)
--	-----

Customers cannot call back at a subsequent date and receive additional credits for lines targeted for disconnection. This offer cannot be combined with any other promotional offers for access lines, including Win/Winback offers.

- 19. AT&T Business Local Calling customers may combine subscribed lines from any state where an AT&T ILEC provides local service and where AT&T Business Local Calling is available, into one agreement to meet line commitments.

AT&T BUSINESS LOCAL CALLING (cont'd)

B. Terms and Conditions (cont'd)

20. Effective for new agreements established on or after October 26, 2012, each business customer may establish multiple 1-19 line AT&T Business Local Calling agreements, but, will be limited to a maximum of one 20+ line AT&T Business Local Calling agreement at any given time. The total number of lines subscribed under all agreement types combined is limited to 35,000 per customer. This limitation applies for each business customer across all states where an AT&T ILEC provides local service and where AT&T Business Local Calling is also available. /1/

21. This paragraph is applicable only to AT&T Business Local Calling lines with AT&T All for Less offer (see Paragraph 18 for AT&T Business Local Calling lines without the All for Less offer.) (N)

Eligible customers may receive a monthly credit as follows. Eligible customers are those customers who:

- are existing customers who are not on a voice package term plan or who have less than six (6) months remaining on their voice package term plan, and
- who communicate a desire to disconnect their lines then reconsider and keep the lines (i.e. "save"), or who have their local exchange access line service with another competitive local exchange carrier within the Company service area and who now wish to establish their local exchange access line service with the Company (i.e. "win/winback"), and
- who subscribe to a new AT&T Business Local Calling agreement for at least a 1-year term.

For Service Agreements entered into on or after April 1, 2017, the credit is \$6.00 off of the All for Less rate on the first line only, for 12 months. The customer must agree to subscribe all their lines to AT&T Business Local Calling in order to receive the credit.

Those customers who initially refuse the above mentioned offer will be eligible to receive a monthly credit, as follows:

For Service Agreements entered on or after April 1, 2017, the credit is \$12.00 off of the All for Less rate on the first line only, for 12 months..

Customers cannot call back at a subsequent date and receive additional credits for lines targeted for disconnection. (N)

AT&T BUSINESS LOCAL CALLING (cont'd)**D. Termination Liability and Shortfall**

1. Except as provided for elsewhere in this Guidebook, customers who terminate their entire AT&T Business Local Calling account prior to completion of the selected term period are subject to termination charges. Termination charges are equal to \$15.00 times the number of months remaining on the term commitment times the number of lines subscribed to on the initial order.
2. Termination charges are not applicable if, during the term period:
 - a. the customer converts to another Company access and local usage plan with a term equal to or greater than the time remaining on the AT&T Business Local Calling term plan.; or (C)
 - b. the customer converts to an upgraded technology with the Company (i.e. network access lines to PBX Trunks, Centrex, ISDN Prime) and commits to a term equal to or greater than the time remaining on the AT&T Business Local Calling term plan. It is at the Company's sole determination whether a product change satisfies the requirements for waiver of the termination liability under this clause; or
 - c. the customer chooses to terminate their agreement and to negotiate a new AT&T Business Local Calling agreement with a term period greater than the time remaining on the existing AT&T Business Local Calling agreement. The new service agreement will be based on the term plan rates in effect at the time of establishing the new agreement. For 20+ line agreements established on or after October 26, 2012, the customer must also establish a new line commitment at least as great as in their initial subscription in order to qualify.
 - d. If during the Term, an AT&T ILEC Service (referred to as the "Terminated ILEC Service") provided under a Business Local Calling Agreement is migrated to a qualifying AT&T Business Voice over IP (BVoIP) Service or to a qualifying AT&T Mobility Service (referred to collectively as the "Replacement Service"), then the Early Termination Charge associated with the Terminated ILEC Service will be waived provided:
 1. the Terminated ILEC Service has been installed at the Customer site for no fewer than 3 months;
 2. the term of the Replacement Service agreement is equal to or greater than the remaining term for the Terminated ILEC Service;
 3. the Replacement Service is installed or available at the same Customer sites as the Terminated ILEC Service;
 4. the Replacement Service is contracted for in the same relative quantity(ies) as those Terminated ILEC Services being displaced, and
 5. activation of the Replacement Service at the Customer sites or for Customer use at such Customer Sites occurs within 90 days of termination of the ILEC Service at that site.

It is at the Company's sole determination whether a product change satisfies these requirements.

(D)

AT&T BUSINESS LOCAL CALLING (cont'd)

D. Termination Liability and Shortfall (cont'd)

- 3. For customers who initially subscribe to 20+ lines: in any month during the term of an AT&T Business Local Calling agreement, if the customer's total number of subscribed lines falls below 80% of the number of lines subscribed to in the original agreement, then a shortfall adjustment charge will be applicable and will appear on the customer's bill for each of those months. This shortfall adjustment charge is equal to \$10.00 times the number of lines below the 80% requirement. /1/

E. Business Downturn

- 1. For purposes of this product offer, the term *Business Downturn* is hereby defined to mean an unplanned, measurable change in business conditions affecting the customer's business that is outside of the customer's control and that materially and negatively affects the customer's need for the level of Company services originally committed to hereunder. The customer specifically acknowledges that the transfer or substitution of these services to another provider during the term hereof does not qualify as Business Downturn. This provision may be invoked by the customer no earlier than after the end of the first year for a two or three year agreement. To invoke this provision, the customer must provide in writing to the Company the facts which support its request for Business Downturn consideration, and the Company will solely determine whether the customer's business conditions satisfy the definition of Business Downturn.
- 2. Upon the Company's determination that a *Business Downturn* has occurred, the customer and the Company shall then negotiate in good faith an appropriate and commercially reasonable change to the customer's commitments hereunder. Examples of appropriate and commercially reasonable changes include (but are not limited to) a modification to the term or number of lines committed under the agreement. The Parties shall continue performance under this agreement while they are in negotiations. If no agreement can be reached regarding a change to the customer's commitments, then the rates, terms and conditions of this agreement shall remain in effect for its term. The customer may invoke this provision only once during the term of this agreement.

AT&T Business Local Calling Essentials^{/1}

(C)

A. Description

AT&T Business Local Calling Essentials is an optional service package for business customers with 2 to 30 business network access lines that includes a Flat Rate Exchange Access Line, Caller ID with Name, and Hunting services.

B. Terms and Conditions

1. AT&T Business Local Calling Essentials is available to business customers with 2 to 30 business access lines who agree to a 12-month, 24-month, or 36-month term period and commit to a Flat Rate Exchange Access Line, Caller ID with Name, and Hunting service. These customers will be eligible for the package rates as shown in **C. Prices** following.
2. AT&T Business Local Calling Essentials is available to business customers with 2 to 30 access lines and who have those lines with a competitive local exchange carrier within the AT&T Illinois, AT&T Indiana, AT&T Michigan, AT&T Ohio or AT&T Wisconsin service areas and who now wish to establish their business network access line service with the Company.
3. AT&T Business Local Calling Essentials is available to Save customers with 2 to 30 access lines who have received a competitive offer and are considering switching their business network access lines to another carrier (proof of competitive offer may be required).
4. AT&T Business Local Calling Essentials is only available to customers who require 2 to 30 individual business exchange network access lines and is not available on FX Service, Remote Switching Service, WATS access lines, PBX Trunks, Centrex, or Semi-Public Coin services.
5. A customer may subscribe to multiple agreements for AT&T Business Local Calling Essentials at the same time, but a telephone number may only be included under one agreement. A customer may have 30 lines maximum per location subscribed to an AT&T Business Local Calling Essentials agreement.
6. Eligible customers will receive a waiver of normally applicable service ordering and line connection nonrecurring charges (NRC's) associated with local exchange access lines and, if applicable, vertical features ordered at the time of initial subscription to AT&T Business Local Calling Essentials. Standard NRC's will apply to features added after the initial order.
7. Eligible customers may subscribe to FeatureLink service as an option and will receive a monthly credit of \$4.00 off of standard Month-to-Month prices, if selected.

/1/ Effective April 3, 2024, customers agreeing to BLC Essentials term agreement may not establish new agreements greater than 12 months. In addition, effective April 3, 2024, new 12-month agreements will no longer have a re-term option. 12-month term plans existing prior to April 3, 2024, will have a re-term option until such time as either party (Customer or Company) provides the other 30-days' written notice that it does not wish to renew the agreement.

(N)

(N)

(D)

AT&T Business Local Calling Essentials (cont'd)**B. Terms and Conditions (cont'd)**

8. Eligible customers may subscribe to any of the following Central Office Optional Features^{/1/} on a standalone basis and will receive a monthly discount of 30% off of standard Guidebook prices, if selected.

Pay-Per-Use features are not eligible:

Automatic Callback, Call Screening, Call Waiting, Remote Call Forwarding, Repeat Dialing, Multi Ring Service, Speed Calling 30, Call Waiting ID.

9. The 12-Month term also has a 12-Month retermable option. If the customer selects the 12-Month retermable option, the plan will renew for 12-month intervals. A maximum of two 12-Month reterms are available after the first 12-Month term. The customer will receive written notification of their selection outlining the details of the agreement, plus subsequent notifications regarding their reterm options prior to the expiration of each 12-Month term. At the expiration of the agreed to term, rates will revert to the applicable individual rates for each component of the package.^{/2/} (C)
10. Customers who elect to terminate their agreement prior to completion of the agreed to term will be assessed early termination charges amounting to 50% of the monthly recurring charges times the number of months left on the term commitment. A request for a reduction in the number of lines originally committed to an AT&T Business Local Calling Essentials agreement will be considered an early termination of the entire agreement and will be liable for termination charges except as specified below, or if business downturn rules apply as listed below.
11. Termination charges are not applicable if, during the term period, the customer converts to another Company access and local usage plan with a term equal to or greater than the remaining AT&T Business Local Calling Essentials term plan.
12. Within 90 days of subscribing to an AT&T Business Local Calling Essentials 2-year or 3-year term plan, customers may cancel this service without incurring the termination liability charges specified in this Guidebook.
13. Eligible customers who also have refused or not responded to a previous AT&T Business Local Calling Essentials offer from the Company will be eligible for a one-time \$20.00 credit per access line when they subscribe. This bill credit will be applied within (2) bill cycles of order completion. Save customers are not eligible for this one-time credit.

/1/ For those customers who subscribe to this service on or after November 28, 2011, these services are no longer eligible for the Central Office Optional Features 30% monthly discount.

/2/ Effective April 3, 2024, customers agreeing to BLC Essentials term agreement may not establish new agreements greater than 12 months. In addition, effective April 3, 2024, new 12-month agreements will no longer have a re-term option. 12-month term plans existing prior to April 3, 2024, will have a re-term option until such time as either party (Customer or Company) provides the other 30-days' written notice that it does not wish to renew the agreement. B. Terms and Conditions (cont'd)

14. For purposes of this product offer, the term "Business Downturn" is hereby defined to mean an unplanned, measurable change in business conditions affecting the customer's business that is outside of the customer's control and that materially and negatively affects the customer's need for the level of Company services originally committed to hereunder. The customer specifically acknowledges that the transfer or substitution of these services to another provider during the term hereof does not qualify as business downturn. This provision may be invoked by the customer no earlier than after the end of the first year for a two or three year agreement.

/1/

To invoke this provision, the customer must provide in writing to the Company the facts which support its request for Business Downturn consideration, and the Company will solely determine whether the customer's business conditions satisfy the definition of "Business Downturn."

Upon the Company's determination that a Business Downturn has occurred, the customer and the Company shall then negotiate in good faith an appropriate and commercially reasonable change to the customer's commitments hereunder. Examples of appropriate and commercially reasonable changes include (but are not limited to) a modification to the term or number of lines committed under the agreement. The Parties shall continue performance under this Agreement while they are in negotiations. If no agreement can be reached regarding a change to the customer's commitments, then the rates, terms and conditions of this Agreement shall remain in effect for its Term. The customer may invoke this provision only once during the term of this Agreement.

/1/

15. Effective on or after November 28, 2011, existing customers with a current AT&T Business Local Calling Essentials agreement which is within 90 days of expiration, or which has expired within the past 90 days will be eligible to sign a new AT&T Business Local Calling Essentials agreement at the same rate as their expiring/expired agreement. The one-time \$20 refuser credit will NOT be available (see paragraph 13 above).

AT&T Business Local Calling Essentials 2.0**A. Description**

Business Local Calling Essentials 2.0 is an optional discount plan that provides business customers with monthly discounts on selected eligible business services (a combination of products and services as provided in this Guidebook section and Guidebook, Part 4, Sections 2, and Guidebook Part 7, Sections 1, 2, 3).

Business Local Calling Essentials 2.0 requires subscription to the Company's local exchange access service in Guidebook Part 4, Section 2.

B. Terms and Conditions

Business Local Calling Essentials 2.0 is only available to business customers currently subscribing to a Business Local Calling (BLC) Essentials package line term or previously expired term, that agree to a 12-month verbal term agreement for Business Local Calling Essentials 2.0, and also subscribe to business access line service, with the choice of subscribing to select vertical features (optional) and hunting (optional). Benefits are shown in paragraph C.

Customers can add or subtract additional lines at any time without affecting the term agreement.

Business Local Calling Essentials 2.0 is not available on FX Service, ISDN, Coin, PRI, Inmate, Hotel-Motel, 800/900, Remote Call Forwarding, Location Routing Service, Payphone Exchange Access Service, WATS access lines, PBX, DID, Centrex, or Semi-Public Coin services.

Customers currently subscribing to an AT&T Business Local Calling (BLC) optional business package offers are not eligible to order Business Local Calling Essentials 2.0.

Customers may not participate in any other discount offer or voice package service, unless stated specifically in the discount offer or voice package service.

Only one Business Local Calling Essentials 2.0 agreement is permitted at a customer location. All lines associated with an agreement must be at the same location.

Customers may choose from a list of vertical features, provided in section C.2.; Pay Per Use features are not eligible.

The agreement will automatically renew in successive 12-month terms unless, prior to expiration of the then-existing term, either party (Customer or Company) provides the other party 30-days' written notice to not renew the agreement. Absent such notification upon renewal, a new 12-month term commences at the rates and discounts for a 12-month term then in effect found in the applicable Guidebook on the date of renewal, subject to any Company-initiated rate adjustment.

AT&T Business Local Calling Essentials 2.0 (cont'd)

C. Discounts/Benefits

1. Business Access Line Benefit:

Discount will be applied to the current monthly rates, for Business Access Line, as set forth in this Guidebook, Part 4, Section 2.

USOCs Eligible	Discount
1FB or 1FH	96%

2. Custom Calling Features Benefit: 100%

Discount will be applied to the current monthly rates for the applicable feature below, when added to business access line, as set forth in this Guidebook locations listed.

	Guidebook Location	USOC
Alternate Answering	Part 7, Section 3	EVD
Automatic Callback	Part 7, Section 2	NSQ
Busy Line Transfer	Part 7, Section 3	EVB

Speed Dial 30	Part 7, Section 1	ESF
Three-Way Calling	Part 7, Section 1	ESC

D. Rate Application

Business Local Calling Essentials 2.0 customers will receive a waiver of normally applicable Service Ordering, Trip Charge and Line Connection nonrecurring charges (NRC's) associated with the establishment of local exchange access lines and, if applicable, any NRCs associated with the installation of touch tone, hunting and Custom Calling Services that are ordered to while participating in the Business Local Calling Essentials 2.0.

AT&T Business Local Calling Essentials 2.0 (cont'd)**E. Early Termination Charges**

Business Local Calling Essentials 2.0 customers who terminate all of the service under the agreement agree to pay termination charges of \$30.00 per line remaining on the account at the time of termination, and per month for the number of months remaining on the term. Early termination fees will not be applicable if during the term, a customer converts to another Company access plan under term equal to or greater than the remaining time on the original agreement.

If during the Term, an AT&T ILEC Service (referred to as the "Terminated ILEC Service") provided under a Business Local Calling Essentials 2.0 is migrated to a qualifying AT&T Business Voice over IP (BVoIP) Service or to a qualifying AT&T Mobility Service (referred to collectively as the "Replacement Service"), then the Early Termination Charge associated with the Terminated ILEC Service will be waived provided:

1. the term of the Replacement Service agreement is equal to or greater than the remaining term for the Terminated ILEC Service;
2. the Replacement Service is installed or available at the same Customer sites as the Terminated ILEC Service;
3. the Replacement Service is contracted for in the same relative quantity(ies) as those Terminated ILEC Services being displaced, and
4. activation of the Replacement Service at the Customer sites or for Customer use at such Customer Sites occurs within 90 days of termination of the ILEC Service at that site.

It is at the Company's sole determination whether a product change satisfies these requirements.
