**TEMPORARY INTERCEPTION OF SERVICE**

**General**

Temporary Interception of Service is available at the request of the subscriber to the extent that equipment and number assignments permit. Arrangements for the service are made with the understanding that the subscriber assumes all risk in connection therewith, and that no liability attaches to the Company by reason of failure to complete any call.

The service is furnished subject to receipt of the subscriber's request in sufficient time to permit the Company to effect the necessary arrangements.

Temporary Interception of Service is offered in the following arrangements.

Temporary Number Referral provides for business or residence service to be intercepted temporarily without termination of service. Calling persons will be informed that the service is disconnected or no longer in service. No outward or inward service is contemplated during the period of interception. (C)

**TEMPORARY INTERCEPTION OF SERVICE (cont'd)**

**Regulations (cont'd)**

DID/Centrex/Advanced Centrex Number Referral is provided for a period of twelve months. No extensions of the service period are permitted.

There will be no charge for Temporary Interception of Service if necessary for company reasons.

The charge to establish temporary interception of service and the monthly interception charge applies for each line or trunk intercepted. In the case of rotary service, the main listed number and any auxiliary numbers listed as an additional listing will be intercepted. In addition, at the customer's request, other numbers in rotary service but not listed may be intercepted.

**INTERCEPT REFERRAL EXTENSION SERVICE**

**General**

Intercept Referral Extension Service is provided to business customers for the purpose of notifying calling parties about changes in the status of a business customer's telephone number when the number has been called.

Intercept Referral Extension Service is available for a maximum of nine months following the initial free, three month period of regular intercept. Subsequent to the initial three months, Intercept Referral Extension Service will be charged on a per month basis. Upon transfer, telephone number change or disconnection of the business access line, the customer will specify the number of months which the Intercept Referral Extension Service is required.

Intercept Referral Extension Service is provided as facilities permit at the discretion of the Company.

Intercept Referral Extension Service is available only for business access line customers and not available for Centrex service in conjunction with PBX.

**INTERCEPT REFERRAL EXTENSION SERVICE (cont'd)**

**Prices**

No service charge will be applied for Intercept Referral Extension Service when requested on the same order for a disconnection of service, telephone number change or a transfer to another address. If a subsequent request is made to add or change the duration of the Intercept Referral Extension Service, a subsequent service order charge is applicable.

	Nonrecurring Price	Monthly Price
Intercept Referral Extension Service - per account intercepted	/a/	\$6.00

/a/ A service order charge as specified in Part 3 is applicable to add or change the length of months requested for the Intercept Referral Extension Service. A change request is not available for services which have been terminated.
