

SELECT-A-CARRIER CHARGE-A-CALL

A. General

Select-A-Carrier Charge-A-Call (SC-CC) is a service provided in conjunction with Public Telephone Service whereby a single instrument will provide direct access to the facilities of customers authorized to offer and resell telecommunications services in the State of Indiana.

This service is offered at locations determined suitable by the Company. The regulations covering this service are as specified in a written agreement between the Company and the customers which includes but is not limited to the following items:

Term, Price, Ownership, Company's Responsibilities, Customer's Responsibilities.

B. Prices

1. The rates and charges shown are the minimum which may apply.
2. Current prices must be at or above the Guidebook prices and contained in a price list furnished to the Commission and made available to the public.
3. A new price list reflecting changes in prices will be provided to the Commission not less than 20 days prior to the effective date of such changes.
4. Customers will be billed at prices in effect at the time the written agreement, as specified above, is executed. Prices covered in the agreement will not be subject to price changes initiated during the term of the agreement.
