SECTION 5 – INTEREXCHANGE AND INTERSTATE
MISCELLANEOUS CHARGES

5.1 Return Check Charge

When another telecommunications carrier provides the billing function on behalf of the Company, the other carrier's bad check charge applies. Otherwise, the Company will assess the Customer a return check charge of \$25.00 for any check that is returned for any reason by the financial institution on which it is drawn. If the Customer is required to pay an intrastate return check charge, this charge does not apply.

5.4 Payphone Origination Charge

Pursuant to the FCC's Order in CC Docket 96-128, this charge applies only to dial-around calls, i.e., calls originating using a carrier's access code, a Customer's 800/877/888 (and other area code assignments as appropriate) number and other toll free numbers from payphone instruments. The customer shall pay the Company a per call charge of \$.60 per call for all such traffic.

5.5 PIC Change Rebate

If local telephone company is requested to change the subscriber's PIC from one long distance service provider to another long distance service provider, the local telephone company may charge the Customer for the PIC change. If a Customer incurs such a charge from its local telephone company for changing the PIC to the Company, the Company will rebate that charge to the Customer. The rebate will be in the form of a credit on the Customer's bill. The credit will appear within two (2) billing cycles after the Customer provides the Company proof that the local telephone company billed the Customer for the PIC change.

5.6 Federal Universal Service Fee

Company is required by the Federal Communications Commission (FCC) to contribute to the Federal Universal Service Fund (FUSF) to preserve and advance universal telecommunications services. The FCC sets the rate that Company is required to contribute, and the FCC can increase or decrease the rate on a quarterly basis. The FCC permits Company to assess a monthly surcharge for recovery of contributions paid by Company to FUSF and Company does assess such a charge. Company reserves the right to change the amount of the assessment based on changes made to the FUSF rate by the FCC.

SECTION 5 – INTEREXCHANGE AND INTERSTATE
MISCELLANEOUS CHARGES

5.7 Service Order Change Charge

The non-recurring charge to change, add or delete TFS and/or outbound trunking configuration on a DVA is \$50.00 per trunk group. The charge is per trunk group and includes a change, an addition or a deletion of a TFS Number. If DVA is used for both outbound and TFS and one Service Order is issued for multiples changes, additions and/or deletions only one Service Order Change Charge applies.

If a customer that utilizes DVA to reach the long distance network for the provision of any of Company's High Volume Calling plans as described in section 3.7 of this Guidebook for outbound Service (s) and/or TFS requests a change of Services that results in a change in trunk group assignment, a Service Order Charge applies.

5.8 Customer Satisfaction Guarantee

New Customers will be given a ninety (90) day Customer satisfaction guarantee. The Company will convert the Customer to the Customer's original carrier of choice, should the Customer not be satisfied with the Company's Service during the first ninety (90) days from the date of transfer of service. This guarantee is only valid for Customers who are in good standing with the Company and want to be converted back to their original carrier. Customers that want to be converted to a carrier other than their original carrier must do at their own cost. The Customer will be responsible for the payment of any and all charges associated with the Service provided by the Company.

5.9 Federal Regulatory Fee

Services provided pursuant to this Guidebook are subject to an un-discountable monthly Federal Regulatory Fee which will enable the Company to recover some of the costs associated with telecommunications relay services and federal regulatory compliance items. This fee applies to Business Customers only and they will be assessed a monthly charge equal to a percentage of the total net interstate charges, after application of all applicable discounts and credits. This Federal Regulatory Fee is neither contributory to nor eligible to receive discounts, nor is it eligible to contribute to meeting minimum monthly or annual requirements. A Business Customer will not be required to pay this Federal Regulatory Fee if it demonstrates to the Company's reasonable satisfaction that they are acquiring the Company's Service for resale, i.e. not for their own internal use. The monthly charge is 4.80%.

5.12 Duplicate Bill Charges

5.12.1 General

- A. Subject to Company retention policies, availability of the bill(s), and ability of the Company to retrieve the bill(s), a Customer may request a paper copy of their bill(s). A Duplicate Bill Charge may apply upon a Customer's request for the duplicate copies of their telephone bill(s) in accordance with the charges specified following, unless stipulated differently in the Customer's contract. This Service will be available where billing and technology exists.
- B. The Duplicate Bill Charge, as defined in Section 5.12 of this Guidebook, will not be applied in the following instances: (C)
 - .1 When a Customer is currently subscribing to a Service to receive additional copies of their bills;
 - .2 When Customers request a copy of the bill because of non-receipt of an initial bill after new connect, transfer or change of address orders;
 - .3 When Customers have not received a bill due to Company error in the address of the bill;
 - .4 When a customer requests a copy of the current monthly bill or final bill

5.12.2 Rates and Charges

Duplicate Bill Charge, mailed via standard US mail only, per bill copy charge \$5.00

5.12.3 Liability

With respect to any claim or suit, by a Customer or any others, for damages arising from delays, errors, or omissions, or failure to provide bill copies, the Company's liability, if any, shall not exceed the amount paid for the Service.

5.13 Carrier Cost Recovery Fee (CCRF)

Consumer Customers will be charged a \$2.24 cent per month CCRF to recover certain costs associated with providing state-to-state and international long distance service including expenses for national regulatory fees and programs, and connection and account servicing charges. This fee applies for each month in which the customer has any AT&T Long Distance state-to-state and/or international charges on their bill. The CCRF is applied in full whether or not the Customer's billing period covers a full month. This fee is not a tax or charge required by the government

5.14 Account Codes^{1,2}

	MRC
Small Business Plans	\$00.00 per BTN/BAN
High Volume Calling Plans	\$00.00 per BTN/BAN

¹This feature is no longer available to new Customers effective January 12, 2015. Additionally, concurrent this change, the non-mandatory account code option is discontinued.

²Effective June 12 2015, no changes will be allowed to Account Code configurations. Network facilities supporting Account Codes are being discontinued in some areas which will impact the availability of this feature. Existing customers may continue with current Account Code configurations where network capability exists or until the Account Code billing feature is discontinued in its entirety by the Company.

MISCELLANEOUS CHARGES

5.15 AT&T NetPROTECT

5.15.1 Definitions

Covered Calls: AT&T International Outbound Long Distance Direct Dial calls from a Customer Telephone System (CTS), AT&T International Operator Assistance calls from a CTS billed to the CTS location, and AT&T domestic toll-free calls to a CTS, not including AT&T IP Toll-Free and AT&T International Toll-Free Service.

Customer Telephone System: a Private Branch Exchange (PBX) or electronic key system or a Customer Site served by Centrex service that is (a) owned or leased (or in the case of Centrex, subscribed to) by Customer, (b) subject to Customer's direct control, (c) located in the US Mainland, Hawaii, Puerto Rico or the US Virgin Islands, and (d) not located in a Licensed Space Arrangement.

Remote Toll Fraud: unauthorized Covered Calls made by remotely accessing a CTS, but not including calls made by, in collusion with, or as the result of the intentional acts (including the provision of information or assistance to unauthorized parties) of, Customer or its past or present employees, agents, vendors or independent contractors. A series of such unauthorized Covered Calls that arise from the same instance of a breach of CTS security comprise a single Remote Toll Fraud incident.

AT&T Notification: a telephone call by AT&T to Customer to notify Customer of suspected Remote Toll Fraud.

Customer Notification: a telephone call by Customer to the AT&T NetPROTECT Fraud Monitoring Center at 1-800-821-8235 (or such other telephone number designated by AT&T) to notify AT&T of suspected Remote Toll Fraud.

5.15.2 General Terms and Conditions – Applies to All Service Options

- (A) Customer must immediately make a Customer Notification when it detects suspected Remote Toll Fraud. Customer will cooperate reasonably and promptly with AT&T's investigation of suspected Remote Toll Fraud, including providing a written description of the means by which the Remote Toll Fraud occurred (if known), the changes made to the CTS to stop the Remote Toll Fraud, and any password(s) used to remotely access the CTS.
- (B) To make a claim under an AT&T NetPROTECT liability cap or liability waiver for Remote Toll Fraud not subject to AT&T Notification, Customer must (a) identify in writing any calls claimed to be Remote Toll Fraud within six months after the date of the AT&T bill that contains charges for such calls, and (b) establish (e.g., by way of call detail, station message detail recording system configuration documentation, etc.) that each call is Remote Toll Fraud.
- (C) To the extent the AT&T NetPROTECT liability cap or liability waiver reduces or eliminates any charges for which Customer otherwise would be liable, AT&T will have the right to pursue, on its own behalf, any claims Customer may have against third parties arising in connection with the associated Remote Toll Fraud.

5.15 AT&T NetPROTECT (continued)

5.15.3 Service Options

(A) AT&T NetPROTECT Basic

- .1 This Service is available to all Customers including AT&T IP Flexible Reach, AT&T Voice DNA®, AT&T Voice DNA® and Remote Worker with Secure Voice Tunnel Option except those who are acting in the capacity of a reseller or wholesaler. The following are not covered by this Service: AVOICS customers, AT&T IP Toll-Free customers, AT&T International Toll-Free, customers, AT&T Voice DNA Remote Worker without Secure Voice Tunnel Option; customers who provide Audio and/or Video Teleconference service; calls carried on an audio or video teleconference bridge; and Prepaid Card Providers. NetProtect does not cover any fraud event that originates on or otherwise utilizes a non-covered service.
- .2 If Customer makes a Customer Notification with respect to a Remote Toll Fraud incident before AT&T makes an AT&T Notification, the liability cap will be reduced by 50% with respect to that incident. To be eligible for such liability cap reduction, Customer must (within six months after the Customer Notification) provide a written explanation of the means used to detect, and the changes made to the CTS to stop, the Remote Toll Fraud.
- .3 Customer is liable for all charges for Remote Toll Fraud calls that commence after an AT&T Notification or a Customer Notification.
- .4 Rates and Charges

This Service applies (at no charge) with respect to Covered Calls to or from a Basic CTS, unless Customer subscribes to AT&T NetPROTECT Premium or AT&T NetPROTECT Plus. Under this Service, Customer's liability is capped at \$25,000 for charges for Remote Toll Fraud calls that commence before an AT&T Notification or a Customer Notification. The liability cap applies for a one time only Remote Toll Fraud incident, based on the combined charges at all Basic CTSs affected by such incident.

(B) AT&T NetPROTECT Plus

- .1 This Service option is available to all Customers including AT&T IP Flexible Reach, AT&T Voice DNA®, and AT&T Voice DNA Remote Worker with Secure Voice Tunnel Option, except those who are acting in the capacity of a reseller or wholesaler. The following are not covered by this Service: AVOICS customers; AT&T IP Toll-Free customers; International Toll-Free customer; AT&T Voice DNA® Remote Worker without Secure Voice Tunnel Option; customers who provide Audio and/or Video Teleconference service; calls carried on an audio or video teleconference bridge; and Prepaid Card Providers. NetProtect does not cover any fraud event that originates on or otherwise utilizes a non-covered service.
- .2 This Service option is a value-added Remote Toll Fraud protection and notification plan that applies with respect to Covered Calls to or from a Plus CTS. When AT&T certifies Customer's CTS as a Plus CTS, Customer's liability is initially capped at \$2,000 for charges for Remote Toll Fraud calls that commence before an AT&T Notification or a Customer Notification. The liability cap applies once across all Plus CTSs affected by each Remote Toll Fraud incident. After each Remote Toll Fraud incident, the liability cap will be increased by \$2,000.

(B) AT&T NetPROTECT Plus (continued)

- .3 If Customer makes a Customer Notification with respect to a Remote Toll Fraud incident before AT&T makes an AT&T Notification, the liability cap will be reduced by 50% with respect to that incident. To be eligible for such liability cap reduction, Customer must (within six months after the Customer Notification) provide a written explanation of the means used to detect, and the changes made to the CTS to stop, the Remote Toll Fraud.
- .4 When suspected Remote Toll Fraud is detected, AT&T will attempt to make an AT&T Notification and assist Customer's efforts to stop the suspected Remote Toll Fraud. AT&T will block all Covered Calls out of the Plus CTS until the problem has been isolated and corrected if Customer gave AT&T written authorization for such blocking at the time of service implementation. At any time during a suspected Remote Toll Fraud incident, AT&T will block all or a portion of Covered Calls out of the Plus CTS, at Customer's request (if Customer did not provide written authorization for such blocking prior to the incident, Customer must send AT&T a written confirmation of such authorization within three hours after a verbal request). AT&T will restore blocked service at any time during the incident at Customer's request.
- .5 Customers is liable for all charges for Remote Toll Fraud calls that commence after an AT&T Notification or a Customer Notification. If a Remote Toll Fraud incident triggers application of the liability cap, the affected CTS will not be covered again by the liability cap until 30 consecutive days have passed without a subsequent Remote Toll Fraud incident affecting the same CTS.
- .6 Customers must provide the following information to the AT&T NetPROTECT Service Establishment Group to be eligible for the liability cap:
 - .a a written list of all telephone numbers, both outbound and toll-free (if applicable), assigned to each Plus CTS location (the liability cap will not apply for usage associated with numbers not included on such list);
 - .b a completed Customer profile form for each Plus CTS, describing the type of CTS, service configuration, calling volumes and patterns to foreign destinations;
 - .c current contact information (e.g., telephone number, electronic mail address, pager and PIN number, wireless telephone number and/or facsimile number) at which an authorized Customer representative can be contacted 24 hours per day, 7 days per week (such representative shall have the authority to take necessary action to stop suspected Remote Toll Fraud affecting the Plus CTS);
 - .d immediate written updates to the information provided under this Section, signed by an authorized Customer representative; and
 - .e description of any change to Plus CTS that could affect the security of the Plus CTS (to be provided before the change is implemented)
