7.5 International Toll Free Service

Effective June 30, 2011 the dedicated service offering associated with International Toll Free Service will be discontinued pursuant to Title 47, Section 63.19 of the code of Federal Regulations. If your current dedicated term agreement has not expired, you will need to replace the dedicated Service on or before the expiration date of your current term agreement. If you are currently on a month-to-month arrangement, you will need to replace the dedicated Service on or before June 30, 2011.

7.5.1 International Freefone with Service Access Codes (IFS W/SAC)¹

¹ As of April 21, 2006, this plan is no longer available to new Customers.

- (A) The IFS W/SAC permits the Customer to access countries by using an access code
- (B) Usage rates will depend on both the country of origin of the call and access method i.e., Switched or Dedicated.
- (C) Service MRCs are applied on a per IFS W/SAC basis.

NOTE: The country code prefix is not the same country code used for Direct Dialing.

Origination of International Toll Free calls are governed by country specific access limitations and regulations. Additionally, International Toll Free Service is only available for calls originating from the following locations for IFS S/SAC:
