(C)

Detariffed Services, as described in this document, are interstate special access services for which tariffs were withdrawn pursuant to either Federal Communications Commission (FCC) Memorandum Opinion and Order, FCC 07-180, released October 12, 2007, or FCC Report and Order, FCC 17-43, released April 28, 2017.

(C)

After such detariffing, Detariffed Services are provided pursuant to contract.

(N)
(N)

Beginning upon the effectiveness of the withdrawal of Detariffed Service tariffs, unless a separately executed service agreement between you and AT&T provides otherwise, Detariffed Services will be subject to and provided pursuant to the rates, terms and conditions of this Guidebook.

(C)

Prospective customers wishing to purchase services at the rates, terms and conditions in the Guidebook may do so by initiating orders through the same processes used to order services from AT&T's interstate access tariffs.

(C)

Service that is ordered without a separately executed service agreement between you and AT&T that applies to that order, will also be subject to the AT&T Interstate Access Service Agreement at <https://www.att.com/public-affairs/long-distance-news/product-reference-and-pricing-guide/att-interstate-access-service-agreement.pdf> unless the ordering process you use or used indicated that another AT&T services agreement will apply (in which case such other AT&T services agreement will apply to your Service).

LEGAL NOTICE (cont'd)

Unless a separately executed service agreement between you and AT&T provides otherwise, the AT&T Interstate Access Service agreement (or such other applicable AT&T services agreement) will apply to the following Detariffed Services as provided below:

- For any Detariffed Service that, on the date of its detariffing, was in-service and subject to a term commitment with a termination charge, beginning when that pre-existing term commitment no longer applies and that Detariffed Service is not disconnected.
- For any Detariffed Service that, on the date of its detariffing, had been ordered but is not yet installed, beginning when the first term commitment with a termination charge that applies to that ordered Detariffed Service no longer applies and that Detariffed Service is not disconnected.
- For any other Detariffed Service that is not described in the two preceding bullet points, beginning when the Detariffed Service may be disconnected without incurring a termination charge and is not disconnected.
- In no event may the AT&T Interstate Access Service Agreement (or such other applicable AT&T services agreement) apply to the Detariffed Services described in this paragraph earlier than 30 days after the effective date of its detariffing.

The services described in the Guidebook may be available through negotiated agreements, which may include rates, terms or conditions more favorable to you than those in the Guidebook. Prospective customers wishing to purchase Guidebook services at rates, terms or conditions different from those described in the Guidebook and the applicable AT&T Interstate Access Service Agreement may contact their AT&T service representative or go to the AT&T website at <http://www.att.com/gen/general?pid=6345>.

AT&T reserves the right to change the rates, terms and conditions in the Guidebook from time to time. Notification of Guidebook changes will be made available at the AT&T website.
