2.1 Cost Assessment Charge (CAC)

(C)

2.1.1 A Cost Assessment Charge is assessed on a percentage basis against all billed revenue for business Customers subscribing to the transport services listed below. The CAC is established to recover property taxes. This charge is not a tax or fee that the government requires AT&T to collect from Customers. The CAC will not apply to Federal, State or Local Government Accounts, or to any accounts identified in the billing systems of the Telephone Company as being exempt from application of the Federal Universal Service Fund (FUSF).

GENERAL CONDITIONS

2.2 TDM to IP Transition

2.2.1 As a result of evolving network technology, the Telephone Company is able to offer new, advanced services. At the same time, certain older services will no longer be available in some geographic areas, as those services are no longer technically or economically feasible. The tables below identify services that have been withdrawn, by wire center and exchange, along with additional information related to these service withdrawals. (C)
