A1. DEFINITION OF TERMS

INTEGRATED SERVICES DIGITAL NETWORK (ISDN)

Integrated Services Digital Network (ISDN) is a network architecture supporting Digital Telecommunications services which are user selectable through a common access at a standard interface.

INTERFACE

The term "Interface" denotes that point on the premises of the customer at which provision is made for connection of other than Company provided facilities to facilities provided by the Company.

INTERIOR STATION

See "Private Branch Exchange Service (PBX Service)"

INWARD RESTRICTION

Prevents selected station lines from receiving incoming exchange network calls (and optionally CCSA). Such calls are routed to the attendant or to intercept tone, depending on the option selected.

JOINT USER SERVICE

A classification of exchange service furnished to a joint user, in connection with subscribers' exchange service. A joint user is a person, firm or corporation sharing the subscribers' exchange service in accordance with guidebook provisions, but who would not otherwise be entitled to the use of the service.

LIFELINE

A low income assistance program, available to qualified residential subscribers, which reduces monthly charges for local service through credits supported by universal service funding.

LINE

See "Exchange Line"

LINK

The term "Link" refers to the use of a single local channel and/or an interoffice/interexchange channel as one segment (partial channel) of a 2 point or multipoint arrangement when at least one other segment of the service arrangement is served by MegaLink service, MegaLink Light service, MegaLink Plus service, MegaLink channel service, FlexServ service or LightGate service.

LISTING

See "Directory Listing"

LOCAL ACCESS AND TRANSPORT AREA (LATA)

A geographic area established for the administration of communications service. It encompasses designated exchanges, which are grouped to service common social, economic and other purposes.

LOCAL CALLING AREA

See "Local Service Area"

A4. SERVICE CHARGES

A4.2 Application of Charges (Cont'd)

A4.2.6 Service Charge Exceptions (Cont'd)

D. Residential Secondary Service Charge Waiver

Secondary Service Charges will not apply in response to competitive situations for residence subscribers who order one or more of the services listed below:

1. Custom Calling Services
2. (DELETED)
3. Grouping Service
4. RingMaster Service
5. TouchStar Service
6. Designer Listings
7. Message Waiting Indication
8. Customized Code Restrictions
9. Voice Mail Calling Features Package
10. Privacy Manager Service

E. Residential Online Service Connection Charge Waiver

Service Connection Charges (such as the Line Connection Charge – First Line or Additional Line) may be waived for residential customers who order new local service or transfer service on att.com and who are in AT&T Southeast territory for local service. This waiver of charges is available on up to three (3) lines. The subscriber must purchase a minimum of AT&T local service and at least two (2) non-zero rated features or a package of local service containing in its price at least two (2) qualifying features.

F. Residential Service Connection Charge Waiver

Service Connection Charges (such as the Line Connection Charge – First Line or Additional Line) may be waived for residential customers. This waiver is valid for only one (1) service line at the intended local service address. The customer must place the order through an AT&T business office or outbound telemarketing vendor. This waiver is not valid for existing AT&T customers or out of region customers who are new to AT&T. Residential customers who are currently not subscribing to AT&T for local service may be eligible for this waiver. The customer must have at least one (1) wireline local service or equivalent (wireless in lieu of wireline) with a provider other than AT&T at a local service address within AT&T territory. The customer must request the qualifying service at the same address and in the same name as the existing service, unless the customer is planning an imminent move from an address in AT&T territory to another address within thirty (30) days of responding to this offer. In the case of an imminent move, AT&T may offer the customer the waiver of charges and place the order at the new address. The customer must not have had local service with AT&T within ten (10) days prior to the new service connection date.

G. Residential Mobility-National Retail Service Connection Charge Waiver

The Line Connection Charge may be waived for residential customers who order new local service (N Order) or move existing service (T Order) in a mobility store or national retail partner and also order a minimum of two (2) non-zero rated vertical features. To be eligible, customers must place their order in person at the retail location and select the Company as their local service provider. This offer may be combined with promotional offers for which the customer qualifies, unless specifically excluded. The Company reserves the right to prohibit the combination of this offer with any other offer at the Company's sole discretion and/or discontinue or modify this offer at any time without notice. Company employees are not eligible for this offer.
