A5. CHARGES APPLICABLE UNDER SPECIAL CONDITIONS

A5.4 Special Service Arrangements

A5.4.1 General

- A. Where practicable, special equipment and arrangements, not otherwise provided for in this Guidebook, are furnished if they are in accord with authorized service offerings and if they are to be used in connection with and not detrimental to any of the services furnished by the Company. The Company may provide such special service arrangements when the nature and magnitude of the provision is sufficient to impose the need for specific customer pricing. Charges for such special service arrangements will be based on the estimated costs of furnishing them, such costs to consist of the following items to the extent they are applicable: (T)
1. cost of maintenance,
 2. cost of operation,
 3. depreciation on the estimated cost installed of the facilities utilized, based on the anticipated useful service life of the facilities with an appropriate allowance for the estimated net salvage,
 4. administration and taxes on the basis of reasonable average charges for these items,
 5. any other specific items of expense associated with the particular situation, and
 6. a reasonable amount, computed on the estimated cost installed of the facilities utilized, for return and contingencies.
- B. Estimated cost installed as mentioned in A.3. and 6. preceding includes cost of equipment and materials specifically provided or used plus the estimated cost of installing, including engineering, labor, supervision, transportation, rights-of-way and any other investment items. When a special service arrangement is furnished under contract, pursuant to this Guidebook provision, that service will be provided at a market price supported by an economic analysis for that specific customer to assure that relevant costs are covered. Initial service periods exceeding one month may be necessary for facilities and equipment provided under a special service arrangement.
- C. Trunk Load Control
 Provides key controlled restrictions to specific stations to reduce load on priority trunks. Lamps, Keys and Recorder should be provided at existing rates.
