**A103.8 Joint User Service**

(Obsolete 6-23-86, Type D, Guidebook Reference A3.8)

Existing customers with Joint User Service located at the same address established prior to 6-23-86 may request changes or modifications of existing joint user accounts and/or additions of new joint users on or after 6-23-86 under the terms and conditions described following. Subscribers who relocate, transfer service responsibility and/or establish service after 6-23-86 will be furnished service according to the conditions specified in other sections of this Guidebook.

**A103.8.1 Application, Terms and Conditions**

- A. In general, business exchange service is furnished for the exclusive use of the business subscriber and his employees, agents, and representatives. Joint User Service is a shared service arrangement which allows the business exchange service of a subscriber to be used, when designated by the primary subscriber, by individuals, firms, or corporations not otherwise permitted use of the subscriber's business service by this Guidebook.
- B. Joint user service is permitted in connection with the following:
  - (1) Business individual line flat rate, measured rate, message rate, or semipublic service,
  - (2) Commercial PBX flat rate, measured or message rate service,
  - (3) Hotel PBX service,
  - (4) Centrex Type Services
- C. Where service is furnished at a concession rate to the primary subscriber, Joint User Service will not be provided unless the proposed joint user would be entitled to service at a concession rate, if he were a primary station subscriber. No concession is allowed from the regular rates for Joint User Service.
- D. Application for Joint User Service and for changes in service or equipment furnished therewith must be executed by the primary subscriber. The primary subscriber is responsible for payment of all charges incurred, regardless of whether such charges are associated with his usage or that of any of his joint users. Stations, additional listings and miscellaneous equipment are furnished, with the consent of the primary subscriber, for use of the joint user, at regular rates.
- E. Charges for Joint User Service date from the day the Company's information records are posted and are payable monthly in advance. The minimum chargeable period for Joint User Service is the life of the directory issue in which the listing first appears, not to exceed one year from the effective date of the listing. Contracts for Joint User Service are self-renewing for periods of one directory issue, not to exceed one year from the effective date of the directory. In the event the joint user listing does not appear in the directory, the minimum chargeable period is for one month. (M)
- F. Joint User Service is terminated and charges for Joint User Service are automatically discontinued upon termination of the primary subscriber's telephone service. Charges for Joint User Service may be discontinued at the request of the subscriber provided that the joint user no longer utilizes any of the customer's service or equipment, and also that the terms of the minimum service period have been satisfied. (M)
- G. The total charges for telephone service allocated by the primary subscriber among the subscriber and his joint users shall not exceed the charges of the Company to the primary subscriber as set forth in this Guidebook. (M)
- H. Joint users of a primary subscriber's service must have the option of obtaining service directly from the Company. (M)
- I. A joint user is entitled to one listing in the alphabetical section of the telephone directory. (M)
