A2.20 Cost Assessment Charge (CAC)

(T)(M)

A. A Cost Assessment Charge (CAC) is assessed on a per line *or trunk* basis *as shown below* for residence and business customers. *The CAC is also assessed on a percentage basis against all billed revenue for business customers subscribing to transport services. The CAC is established to recover property taxes (from business customers) as well as ongoing costs associated with the administration of Local Number Portability (from line- and trunk-based services from residence and business customers).* This charge is not a tax or fee that the government requires AT&T to collect from customers. *The CAC does not apply to 911 Services, Coin Services, Lifeline, or any of the following account types: Federal, State and Local Government accounts; Resale accounts; or accounts designated by the Company as Wholesale.*
