**A2. GENERAL TERMS AND CONDITIONS**

**A2.19 Reserved For Future Use**

**A2.20 Cost Assessment Charge (CAC)**

A. A Cost Assessment Charge (CAC) is assessed on a per line or trunk basis or as shown below for residence and business customers. The CAC is also assessed on a percentage basis against all billed revenue for business customers subscribing to transport (or miscellaneous transport-like) services. The CAC is established to recover property taxes (from business customers) as well as ongoing costs associated with the administration of Local Number Portability (from line- and trunk-based services from residence and business customers). This charge is not a tax or fee that the government requires AT&T to collect from customers. The CAC does not apply to 911 Services, Coin Services, or any of the following account types: Federal, State and Local Government accounts; Resale accounts; or accounts designated by the Company as Wholesale.
