B2. TERMS AND CONDITIONS

B2.18 TDM to IP Transition

B2.18.1 Carbon Hill Wire Center (CRHLALNM) Trial

- A. Effective February 16, 2016, business subscribers served by the Carbon Hill Wire Center service area, which is a part of the Carbon Hill exchange, will participate in the Technology Transition Trial. Certain business service offerings will no longer be available for new installations in the Carbon Hill Wire Center serving area. Services grandfathered as a result of this Trial will be obsoleted as specified in B100.1 of this Guidebook and A100.1 of the General Exchange Guidebook.
- B. Effective October 14, 2016, certain previously grandfathered (obsolete) business offerings will be withdrawn in the Carbon Hill Wire Center. Services withdrawn in this Trial will also be specified in B100.1 of this Guidebook and A100.1 of the General Exchange Guidebook, as appropriate.

Effective September 30, 2017, certain previously grandfathered (obsolete) business offerings will be withdrawn in the Carbon Hill Wire Center. Services withdrawn in this Trial will also be specified in B100.1 of this Guidebook and A100.1 of the General Exchange Guidebook, as appropriate

- C. The applicable terms and conditions for the trial shall be determined by the Company and the Company reserves the right to alter these terms and conditions at its discretion with appropriate notifications.

B2.18.2 General TDM to IP Transition Provisions

As a result of evolving network technology, the Company is able to offer new, advanced services. At the same time, certain older services will no longer be available in some geographic areas, as those services are no longer technically or economically feasible. The table below identifies services that have been withdrawn, by wire center and exchange, along with additional information related to these service withdrawals.

<u>Product Name</u>	<u>Reference</u>
Sub Voice Grade Services – Series 1000 Channels	B103.2.1
Voice Grade Service – Series 2000	B103.2.2
