ł	Promotion Restrictions/Eligibility Requirements
-	This promotion is available to business customers on an aggregate billing telephone
	number ("BTN") basis, as follows: (a) to new or existing customers who subscribe to
	services reported by AT&T as regulated in accordance with the FCC's Part 32 Uniform
	System of Accounts ("Regulated Services"); and (b) to such customers who agree to be
	billed by AT&T for all of their BTNs in an aggregate monthly billing amount of not less
	than \$500 per year. This promotion is not transferable or assignable.
-	BTNs that include Regulated Services pursuant to Contract Service Arrangements
	(CSAs) or other AT&T programs or promotions are not eligible for inclusion in this
	promotion.
_	CompleteLink 1.5 is offered for term commitments of one or two or years. Customers
-	must select one of the offered MARC levels and must sign a Confirmation of Service
	Order ("CSO") to indicate their selection. A customer may increase their MARC level
	-
	at any time without assessment of early termination charges. To increase a MARC, the
	customer must also commit to a new term. A decrease of the MARC level during the
	term is deemed to be a termination of the Service and early termination charges are
	applicable, unless the customer qualifies for a Business Downturn MARC Downgrade.
-	The Term of a CompleteLink 1.5 agreement begins on the date all Billing Telephone
	Numbers ("BTNs) listed on Attachment B to the CSO are entered into the AT&T billing
	system ("Commencement Date") and continues thereafter for the Term Length specified
	in Attachment A to the CSO (the "Term").
-	MARC "Contributory Services" include eligible AT&T intrastate ILEC network
	services provided by AT&T Florida. The following charges do not contribute toward the
	MARC: E-911 Service charges, taxes, late payment charges, charges billed pursuant to
	Federal or State Access Service Tariffs, and charges collected on behalf of cities,
	municipalities or other governmental entities (including, but not limited to surcharges
	for 911 services, end user common line surcharges, nonregulated entities, 976 service
	charges, Miami Manhole surcharges, universal service fees, and telecommunication
	relay service surcharges).
-	"Eligible Services" are those services that are eligible for discounts based on
	achievement of specified MARC. MARC volume discounts are limited to the following
	Eligible Services: Individual business lines, analog trunks, TouchStar Service features,
	selected Custom Calling Service features (speed calling 8-code [USOC ES] and
	anonymous call rejection [USOC HBY] are no longer eligible for discounts), Message
	Waiting Indication, RingMaster I and II, Complete Choice for Business (CCB)
	excluding CCB with Term Plan discounts, and Hunting for a one year term. Hunting is
	not an Eligible Service for terms of 2 years, but will be separately discounted 50% for a

	not required to purchase any of the Contributory services.
	AT&T will send a notice to the Customer's billing address prior to the term expiration

	plan or an alternate plan by the last date of the existing term plan, the customer's

	CompleteLink 1.5 plan, discounts and rates will terminate and the customer will be billed at the prevailing guidebook rates.
	- Eligible Win/Winback customers will receive a waiver of normally applicable service order and line connection nonrecurring charges associated with local access lines and/or
	vertical services ordered at the time of the initial subscription to a CompleteLink 1.5
	agreement. Standard non-recurring charges, as appropriate, will apply to lines and
	features added after the initial CompleteLink 1.5 order.
	- Win/Winback business customers who establish service with AT&T and subscribe to a
	CompleteLink 1.5 agreement will receive an accelerated discount that is calculated as a

	accelerated discounts will be applied upon subscription to CompleteLink1.5 and yearly
	(for terms exceeding one year) thereafter.
	- Customers who establish a CompleteLink 1.5 agreement and later upgrade to a new
	term length and or MARC level, or who terminate their CompleteLink 1.5 agreement
	prior to its expiration date, will forego any accelerated discounts not yet received.
	Customers who upgrade will retain any accelerated discounts already received and will
	not receive any yearly accelerated discounts based on their original CompleteLink 1.5
	term.
	- If the customer's actual billings for "Contributory Services" are less than the customer-
	selected MARC, the customer will be billed an "Annual Shortfall" charge which is the
	difference between the MARC and the actual billings for the Contributory Services for
	the same 12 month period, excluding any taxes and surcharges.In the event the customer terminates the CompleteLink 1.5 agreement prior to the
	expiration of the Term, the customer shall be liable for Early Termination charges. The

	termination includes calculation for a partial year and the partial year relevant
	billings are less than the customer's MARC commitment, the customer shall pay to
	AT&T 50% of the difference between the MARC and the actual amount of billings
	of Contributory Services for the same period of time.
	B. In addition to the Early Termination charge described in A. above, the customer
	shall be liable for Early Termination charges equal to 50% of any accelerated
	discount(s) received, prorated for the number of months remaining under this
	Order.
	- Termination liability charges applicable for CompleteLink 1.5 agreements will be offset
	by termination charges, if applicable, from other allowed agreements for any
	CompleteLink 1.5 Eligible Service as a result of the same customer termination activity.
	Termination charges resulting from the charge-back of Accelerated Discounts received
	will not be offset by termination charges as a result of the termination of other allowed
	agreements for CompleteLink 1.5 Eligible Services.
	- At the customer's request, termination charges may not apply as follows:
	A. Satisfaction Guarantee: The customer may terminate this Order without Early
	Termination charge liability within 90 days of subscribing, unless the customer had
	terminated another AT&T toll, access or usage term plan to subscribe to this
	CompleteLink 1.5 Plan. In addition, if the customer received an accelerated
	discount upon entering into this Order, the amount of the accelerated discount shall
	be charged to the customer's Main Billed Telephone number monthly statement or
	final bill.

To invoke this provision, the customer must provide in writing to AT&T the facts which support its request for Business Downturn, and AT&T will solely determine whether the customer's supporting materials describe a situation which constitutes a Business Downturn under this Order. Upon AT&T's determination that a Business Downturn has occurred, the customer and AT&T shall then negotiate in good faith an appropriate and commercially reasonable change to the customer's commitments hereunder. Examples of appropriate and commercially reasonable changes are (but are not limited to) a modification to the term length, price, MARC, or combination thereof. The Parties shall continue performance under this Order during AT&T's determination and the negotiations. If no agreement can be reached regarding a change to the customer's commitments, then the rates, MARC, terms and conditions of this Order shall remain in effect for its Term. Customers must not have had service disconnected for nonpayment with AT&T or have any past due bills for regulated service owed to AT&T, and the "Bill Name" must be the same as on the prior AT&T account in order to qualify.
