16.4 Rate Regulations

This section contains the specific regulations governing the rates and charges which may apply to MegaLink Custom Service.

The rates and charges in effect at the time the MegaLink Custom Service is installed and accepted by the customer are the rates and charges which will be billed to the customer requesting the service. The rates and charges in effect at that time may not be the same as those rates and charges in effect at the time the customer requests the service.

If the Company initiates rate changes resulting in a decrease of rates for an existing service with a 1⁽³⁾, 3⁽²⁾, 5⁽¹⁾ or 10⁽¹⁾-year billing period, those rate changes will be passed along to the customer. Rate changes resulting in an increase of rates for an existing service with a 1⁽³⁾, 3⁽²⁾, 5⁽¹⁾ or 10⁽¹⁾-year billing period will not exceed the original rate for that selected bill period. (C)

Rates and charges will be applied based on Pricing Zones as contained in 16.5. The Pricing Zone for each serving wire center is as specified in the National Exchange Carrier Association, Inc. Tariff FCC 4. Additionally, if the Channel Mileage crosses Pricing Zones (e.g., serving wire center 1 is in Pricing Zone 1 and serving wire center 2 is in Pricing Zone 2), the higher priced mileage rate will be applied to the entire channel mileage.

MegaLink Customer Services offer Portability for any existing term priced service provided each of the following conditions are met:

- (a) Service to be moved is either a 5-year or 10-year Billing Period.⁽¹⁾
- (b) Customer must begin a new Billing Period (5 years or greater) for the service to be moved and the monthly revenue must be equal to or greater than that of the service in original location.⁽¹⁾
- (c) New service location is within the state of Arkansas.
- (d) Facilities and equipment are available in the desired new location.

Charges to MegaLink custom portability are set forth in 16.4.2 (G), following:

- (1) Effective December 10, 2013, Customers may not establish new term plans greater than 36 months for MegaLink Custom service and term plans may not be renewed for a term greater than 36 months.
- (2) Effective February 1, 2023, DS1 Optional Payment Plan and Megalink Custom 3-year Payment Plans (collectively, Term Plan Services), are no longer available, including conversions. Existing Term Plan Services, as of February 1, 2023, will continue to be provided under the then-current terms, for the remainder of the applicable term.
- (3) Effective March 17, 2024, DS1 Term Payment Plan 1-year and MegaLink Custom 1-year Payment Plans (collectively, Term Plan Services) are no longer available, including conversions. Existing Term Plan Services on March 17, 2024, will continue to be provided for the remainder of the then-current terms. (N)

16.4 Rate Regulations (Cont'd)

16.4.4 Billing Period

The billing period establishes the amount of time that rates for a service are stabilized by the Company.

The following billing periods are available for MegaLink Custom Services and associated optional features, BSEs and functions:

Monthly (Temp-DS3)

Monthly Extension

1-year⁽³⁾

3-year⁽²⁾

5-year⁽¹⁾

10-year⁽¹⁾

(C)

One month prior to the expiration of the billing period, with the exception of Temp-DS3, the customer must select one of the following options:

(1) Renew the service for a specified period of time as provided in this Guidebook under the regulations, rates in effect at the time of expiration of the existing service.

(2) Elect to be converted to monthly extension rates.

(3) Elect to disconnect the service upon expiration of the billing period.

If a customer selects neither (1) nor (3) above, the current regulations, rates and charges for the Month to Month rate option will be applied upon expiration of the billing period.*

If the customer does not choose one of the preceding options prior to the expiration date of the commitment period, monthly extension rates will be applied upon expiration of the commitment period.

Option (1) as described, preceding, is available to customers if the term plans remain in effect and are not grandfathered. If the term plans are grandfathered and the service expires, absent customer notification, the customers expired service will be converted to monthly extension rates upon expiration.

The customer must provide the Company with a written notice of intent to extend the DS3 billing period no later than one month prior to the expiration of the service period.

(1) Effective December 10, 2013, Customers may not establish new term plans greater than 36 months for MegaLink Custom service and term plans may not be renewed for a term greater than 36 months.

(2) Effective February 1, 2023, DS1 Optional Payment Plan and Megalink Custom 3-year Payment Plans (collectively, Term Plan Services), are no longer available, including conversions. Existing Term Plan Services, as of February 1, 2023, will continue to be provided under the then-current terms, for the remainder of the applicable term.

(3) Effective March 17, 2024, DS1 Term Payment Plan 1-year and MegaLink Custom 1-year Payment Plans (collectively, Term Plan Services) are no longer available, including conversions. Existing Term Plan Services on March 17, 2024, will continue to be provided for the remainder of the then-current terms.

16.4 Rate Regulations (Cont'd)

16.4.4 Billing Period (Cont'd)

The customer's existing service will not be subject to the 1-year minimum service period after reverting to the monthly extension rate option.

No nonrecurring charges apply as long as the same number of DS3s are renewed. Any change in the number of DS3s will incur the appropriate nonrecurring charges.

For Temp-DS3 the minimum billing period is one (1) month and the maximum billing period is eleven (11) months.

16.4.5 Minimum Service Periods

Minimum service periods establish the minimum period for which a MegaLink Custom Service or an optional feature, BSE and function will be provided.

The minimum service periods are as follows:

MegaLink Custom Service	1 year ⁽¹⁾	(C)
Temp – DS3	1 month	
Service Extension	1 year ⁽¹⁾	(C)
SecureNet Options	1 year ⁽¹⁾	
Central Office Multiplexing	1 year ⁽¹⁾	
Interoffice Mileage		
- (Fixed and Per Mile)	1 year ⁽¹⁾	(C)

When a service is discontinued prior to the expiration of the minimum service period, the applicable charge will be the total monthly charges for the remainder of the minimum service period plus termination charges for the remainder of the billing period, as described in 16.4.6.

Services which are terminated after the minimum service period and prior to the expiration of the billing period are subject to termination charges, as described in 16.4.6 (Termination Charges).

(1) Effective March 17, 2024, the 1-year minimum period no longer applies.

16.4.6 Termination Charges

In the event service is terminated prior to the expiration of the minimum service period, charges, as specified in Section 16.4.5 (Minimum Service Periods), will apply. Termination charges do not apply to Temp-DS3 service. In the event service is terminated after the minimum service period and prior to the end of the billing period, a termination charge utilizing the following termination percentage will apply:

<u>Billing Period</u> ⁽¹⁾⁽²⁾	<u>Termination Percentage</u>	(C)
1, 3, 5 or 10 year	20%	

The termination charge is based on the volume option selected by the customer.

The termination charge is calculated as follows:

$$\begin{matrix} \text{months remaining} & & \text{termination} \\ \text{monthly rate} & \times & \text{in billing period} & \times & \text{percentage} \end{matrix}$$

Example: A customer with a \$5,000 monthly rate terminates service with 10 months remaining in a 3-year billing period. The termination charge would be calculated as follows:

$$\$5,000 \times 10 \times .20 = \$10,000$$

The termination charge would be: \$10,000

If Special Construction applied for the service being terminated, an associated Termination Charge, as set forth in Section 14.4.4 (Types of Liabilities and Charges), may apply.

When a MegaLink Custom Service, which is billed under the Shared Use provision is terminated, the termination liability will be based on the full charges, as listed in 16.5, as opposed to the Shared Use billed amount.

(1) Effective March 17, 2024, DS1 Term Payment Plan 1-year and MegaLink Custom 1-year Payment Plans (collectively, Term Plan Services) are no longer available, including conversions. Existing Term Plan Services on March 17, 2024, will continue to be provided for the remainder of the then-current terms.
