2.18.3 Presubscribed Interexchange Carrier Charge (PICC)

For Customers who select the Company as their Primary Interexchange Carrier, the Company will assess the Customer a monthly recurring charge, called a Presubscribed Interexchange Carrier Charge (PICC). This charge will be assessed on a per line basis as shown below. PICCs will not be prorated for a partial month of service and are not subject to discounts nor contribute to any monthly minimums or revenue commitments which may apply to Company services subscribed to by the Customer. 2.18.4 Primary Interexchange Carrier (PIC) Change Charge

The Company may, at its option, elect to incur the PIC change charge on the Customer's behalf for new Customers who presubscribe their interstate service to the Company through Company-designated sales channels for Company-designated marketing campaigns and where the appropriate arrangements are in place between the Company and the eligible Customer's local exchange carrier. In the event that no such arrangements are in place, the Company may, at its option, reimburse the Customer, or issue the appropriate credits on the Customer's invoice upon Customer's proof of payment of such PIC change charges.

2.18.5 Carrier Cost Recovery Fee

Residential Customers will be charged \$1.99 per month Carrier Cost Recovery Fee to recover certain costs associated with providing state-to-state and international long distance service including expenses for national regulatory fees and programs, and connection and account servicing charges. This fee applies for each month in which the customer has any AT&T Long Distance Service state-to-state and/or international charges on their bill. The Carrier Cost Recovery Fee is applied in full whether or not the Customer's billing period covers a full month.

This fee is not a tax or charge required by the government.

2.18.6 South Carolina Universal Service Fund

A monthly recurring surcharge is applicable to each retail customer's total telecommunications bill in order to support South Carolina's Universal Service Fund.

2.19 Unused Calling Cards

Any Company-provided Residential Travel Service calling card that has not been used or is no longer used for any continuous 18 month period will be considered abandoned by the Company. The Company may, at its sole discretion, deactivate any abandoned calling card(s) without further Customer notice.
