#### SECTION 2 - REGULATIONS, (CONT'D.)

### 2.18 Adjustment to Rates and Charges, (Cont'd.)

#### 2.18.2 Universal Service Fund Charge

The Company is required by the Federal Communications Commission (FCC) to contribute to the Federal Universal Service Fund (FUSF) to preserve and advance telecommunications services. The FCC sets the rate (FCC Contribution Factor) that the Company is required to contribute, and the FCC may increase or decrease the rate on a quarterly basis. The FCC permits the Company to assess a monthly surcharge for the recovery of contributions paid by the Company to the FUSF, and the Company does assess such a charge. The Company reserves the right to change the amount of the assessment based on charges made to the FUSF rate by the FCC. The current FCC Contribution Factor can be found at http://www.fcc.gov/omd/contribution-factor.html.

The Universal Service Fund Charge is not subject to discounts nor contributes to any monthly minimums or revenue commitments which may apply to Company services subscribed to by the Customer. The Universal Service Fund Charge will not apply to any portion of services sold by the Company to a Customer for resale for which the Customer contributes directly to these universal service support programs, provided that the Customer has notified the Company, in writing of its intention to resell such services and of its universal service obligation.

## 2.19 Unused Calling Cards

Any Company-provided Residential Travel Service calling card that has not been used or is no longer used for any continuous 18 month period will be considered abandoned by the Company. The Company may, at its sole discretion, deactivate any abandoned calling card(s) without further Customer notice.
