SECTION 1 - DEFINITION OF TERMS AND ABBREVIATIONS

Access Line - A facility arrangement which connects the Customer's or Authorized User's location to the Company's network switching center.

Additional Period - The rate element used to bill chargeable time when a call continues beyond the Initial Period. The Additional Period starts when the Initial Period ends. Additional Period rates apply to any fraction of the time period for chargeable time beyond the Initial Period. Additional Periods vary by rate schedule and are specified in each individual rate table contained in later sections of this tariff.

ANI - A calling telephone number identification which is forwarded to a interexchange carrier by a LEC as a call is placed.

Authorization Code - A numerical code, one or more of which are available to Customers to enable them to access the Company's network, and which are used by the Company both to prevent unauthorized access to its facilities and to identify Customers for billing purposes.

Authorized User - A natural person or legal entity which is authorized by the Customer to use the Company's Service under the terms and regulations of this tariff. In the case of collect-only calling services provided to Inmates of Confinement Institutions, the Inmate is the Authorized User.

BellSouth - BellSouth Corporation and its affiliates.

Business Customer - For the purposes of this tariff, a Business Customer is a Customer of the Company whose primary use of the Company's Service is for business purposes. A Business Customer is also a Customer who accesses the Company's Service using a presubscribed Access Line that has been assigned a business class of service by the local service provider.

(D)

(D)

Carrier - BellSouth Long Distance, Inc. d/b/a AT&T Long Distance Service.

---

SECTION 1 - DEFINITION OF TERMS AND ABBREVIATIONS, (CONT'D.)

Dedicated Access - See Special Access

End User - Any person, firm, corporation, partnership or other entity which uses the services of the Company under the provisions and regulations of this tariff. The End User does not have an account, service agreement or other relationship with the Company. The End User is responsible for payment unless the charges for the services utilized are accepted and paid by another Customer.

Equal Access - A form of dialed access provided by local exchange companies whereby telephone calls dialed by the Customer are automatically routed to the Company's network. Customers may also route calls to the Company's network by dialing an access code provided by the Company.

Initial Period - The initial period is the length of a call for minimum billing purposes. The initial periods vary by rate schedule and are specified in each individual rate table contained in other sections of this tariff.

Inmates - The confined population of Confinement Institutions.

LATA - A geographic area existing on February 8, 1996, as previously established by the U.S. District Court for the District of Columbia in Civil Action No. 82-0192, or established by a Bell operating company after February 8, 1996, and approved by the FCC.

LEC - Local Exchange Carrier.

(D)  
|  
(D)

IXC - Interexchange Carrier.

Mainland United States - The forty-eight (48) states within the continental United States of America and the District of Columbia.

---

SECTION 1 - DEFINITION OF TERMS AND ABBREVIATIONS, (CONT'D.)

Switched Access - Where access between the Customer and the Company is provided on local exchange company Feature Group circuits and the connection to the Customer is a LEC-provided business or residential access line. The cost of switched Feature Group access is billed to the Company.

Telecommunications Device for the Deaf (TDD) - A machine that uses the transmission of coded signals instead of verbal communications to enable hearing impaired users to communicate with each other and with non-hearing impaired individuals.

Third Party - A billing arrangement whereby the charges for a call may be billed to a telephone number that is different than the calling numbers and the called number. The terms and conditions of the third party's Local Exchange Carrier apply to payment arrangements.

(D)

(D)

United States - For purposes of this tariff the term "United States" includes the Mainland United States, Alaska, Hawaii, Puerto Rico, U.S. Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands (CNMI) and America Samoa.

SECTION 2 - REGULATIONS, (CONT'D.)

2.7 Payment and Billing

2.7.1 The Customer is responsible for payment of all charges for services and equipment furnished to the Customer for transmission of calls via the Company. In particular and without limitation to the foregoing, the Customer is responsible for any and all cost(s) incurred as the result of:

- (A) any delegation of authority resulting in the use of the Customer's or its Authorized User's or End User's communications equipment and/or network services which result in the placement of calls via the Company;
- (B) any and all use of the services provided by the Company, including calls which the Customer did not individually authorize;
- (C) any calls placed by or through the Customer's or its Authorized User's or End User's equipment via any remote access feature(s);
- (D) any and all calls placed to an "800" or "888" or other toll-free service number provided to the Customer by the Company.

(D)

(D)

2.7.2 Non-recurring charges for installations, service connections, moves, and rearrangements, where applicable, are payable upon demand to the Company or its authorized agent. Billing thereafter will include recurring charges and/or actual usage as defined in this tariff.

SECTION 2 - REGULATIONS, (CONT'D.)

---

2.18 Adjustment to Rates and Charges

The Company may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amounts it is required by governmental or other authorities to collect from or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, the Universal Service Fund, the Primary Interexchange Carrier Charge, and compensation to payphone service providers for the use of their payphones to access the Company services. Such charges, if applicable, are described in this section of the Tariff.

2.18.1 Pay Telephone Surcharge

An undiscountable surcharge of \$0.65 shall apply to each call utilizing the Company's services which originate from an instrument which the Company identifies as a domestic Pay Telephone. Unless otherwise specified in this tariff, services for which a Pay Telephone Surcharge applies include, but are not limited to:

- (A) Calls placed to a toll-free number provided by the Company with its inbound long distance services. Surcharges will be billed to the inbound long distance Customer rather than the party originating the call.

(D)  
|  
(D)

SECTION 2 - REGULATIONS, (CONT'D.)

---

2.18 Adjustment to Rates and Charges, (Cont'd.)

2.18.2 Universal Service Fund Charge

The Company is required by the Federal Communications Commission (FCC) to contribute to the Federal Universal Service Fund (FUSF) to preserve and advance telecommunications services. The FCC sets the rate (FCC Contribution Factor) that the Company is required to contribute, and the FCC may increase or decrease the rate on a quarterly basis. The FCC permits the Company to assess a monthly surcharge for the recovery of contributions paid by the Company to the FUSF, and the Company does assess such a charge. The Company reserves the right to change the amount of the assessment based on charges made to the FUSF rate by the FCC. The current FCC Contribution Factor can be found at <http://www.fcc.gov/omd/contribution-factor.html>.

The Universal Service Fund Charge is not subject to discounts nor contributes to any monthly minimums or revenue commitments which may apply to Company services subscribed to by the Customer. The Universal Service Fund Charge will not apply to any portion of services sold by the Company to a Customer for resale for which the Customer contributes directly to these universal service support programs, provided that the Customer has notified the Company, in writing of its intention to resell such services and of its universal service obligation.

4.4 Aggregator Operator Services

Aggregator Operator Services are provided to Aggregator locations as defined herein. Aggregator Operator Services allow the caller to place a call and arrange for billing other than to the originating telephone number. Usage charges and an appropriate service charge will be assessed on a per call basis. For calls made using a commercial credit card, acceptance of the card will be dependent upon the Company's ability to verify the card as valid. Only those cards accepted by the Company may be used for Operator Services. The Company reserves the right to verify acceptance of charges prior to billing to a third party telephone number. (T)

4.4.1 Rates and Other Charges, (cont'd.)

(K) Interstate Per Call Service Charges:

One of the following per call service charges applies to each live or automated operator assisted call placed using the Company's services. Per call charges vary by type of call and type of billing method selected by the Customer. The Fully Automated Per Call Service Charge applies if a call; (a) is placed by a party identified as disabled and as a result of that disability cannot complete the call and the caller requests operator assistance for call completion; (b) it cannot be completed by the caller due to equipment failure or trouble on the long distance network and the caller requests operator assistance for call completion.

SECTION 5 - SUPPLEMENTAL SERVICES

5.1 Directory Assistance Services

5.1.1 Directory Assistance

Directory Assistance is available to Customers who utilize the Company's services. Customers must dial a toll-free access number or code to reach the Company's Directory Assistance Bureau. A Directory Assistance charge applies to each call to the Directory Assistance Bureau. Up to two requests may be made on each call to Directory Assistance. In order to obtain two (2) requests, the Customer must make the request upon reaching a live operator. The Directory Assistance charge applies to each call regardless of whether the Directory Assistance Bureau is able to furnish the requested telephone number. When more than one Directory Assistance Bureau handles requests for listings within the same area code, two listing will be provided only when the listing information is accessible to the Directory Assistance Operator that handles the request.

(A) Per Interstate Call to Directory Assistance:

Billed to Third Party

\$2.49

(D)

(D)

5.1.2 Directory Assistance Call Completion

The Company Directory Assistance operator will complete the call to the number requested by the Customer without requiring the Customer to redial the number. A Directory Assistance Call Completion charge applies for this service. This charge is in addition to the charge for determining the telephone number requested by the Customer and in addition to any usage and per call charges associated with placing the call.

Directory Assistance Call Completion is available for use with Station-to-Station calls billed to a Commercial Credit Card or Third Party. Directory Assistance Call Completion may not be used in conjunction with Collect or Person to Person calls.
