9.5.9 AT&T Unlimited Nationwide Calling Basic Preferred Plan¹

(D)

(D)

(A) The AT&T Unlimited Nationwide Calling Basic Preferred plan is a direct dialed outbound long distance service offered to single line or multi-line residential Customers on switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. The AT&T Unlimited Nationwide Calling Basic Preferred plan provides the Customer with unlimited minutes of interexchange (both interstate and intrastate) long distance usage for a flat rate monthly charge (certain restrictions, as outlined below, do apply). This plan does not provide call detail information on the Customer's monthly bill. This service is only offered in conjunction with the corresponding intrastate AT&T Unlimited Nationwide Calling Basic Preferred plan. This service is not offered on an intraLATA or intrastate only basis.

(B) In order to be eligible for this plan, the Company must be able to verify that the Customer meets the following eligibility requirements. Customers who no longer meet these eligibility requirements will not be eligible for this plan and may be offered an alternative plan or have their service suspended, restricted or canceled without prior notice. Customers with one to three lines at a location are eligible for this service if they meet the following requirements:

- .1 Single line Customers must subscribe to BellSouth Long Distance and must also subscribe to and maintain one of the residential services as defined and offered by the Affiliated ILEC of the Company. Multi-line Customers must subscribe to BellSouth Long Distance and must also subscribe to and maintain one of the residential services as defined and offered by the Affiliated ILEC of the Company on each line under this plan. This plan may also be combined with one (1) or more products or services offered by the Affiliate of the Company as defined and offered by the Affiliate of the Company in conjunction with a subscription to this plan. Customers required to subscribe to one (1) or more products offered by an Affiliate of the Company must continue to subscribe to those products.

- (A) This plan is a direct dialed outbound long distance service offered to residential Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. This plan provides the Customer with 300 minutes of interexchange (both interstate and intrastate) long distance usage for a flat rate monthly service charge. Additional usage over the initial 300 minutes will be billed on a flat rate per minute basis.
- (B) Customers must subscribe to and maintain one of the residential services and a Vertical Feature or a Vertical Features Packages as defined and offered by the Affiliated ILEC of the Company. This plan may require at least one (1) or more products or services offered by the Affiliate of the Company as defined and offered by the Affiliate of the Company in conjunction with a subscription to this plan. Customers required to subscribe to one (1) or more products offered by an Affiliate of the Company must continue to subscribe to those products.
- (C) All calls are billed in one (1) minute increments after an initial period, for billing purposes, of one (1) minute. This service is only offered in conjunction with the corresponding intrastate plan of the same name.
- (D) The MRC is \$20.00, and the per-minute usage rate is \$0.0900 for calls completed after the 300 minute block of time has been used. The MRC is the same as the MRC identified in the Company's state specific tariffs/price lists. Only one monthly service charge will apply when both interstate and intrastate service is provided to the Customer.
