SECTION 4 - DOMESTIC RATES AND CHARGES, (CONT'D.)

4.2 Residential Message Telecommunications Service

Residential Message Telecommunications Service (MTS) is a direct dialed outbound interstate long distance service offered to Residential Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. Holiday discounts do not apply.

All calls are billed in one (1) minute increments after an initial period, for billing purposes, of one (1) minute. Customers may subscribe to MTS service for the provision of intraLATA only calling (local toll), interLATA only calling (interstate and intrastate), or intraLATA and interLATA calling combined.

4.2.1 Monthly Minimum Usage Charge (MUC) and Per-Minute Usage Rates

Customer Subscribes To	MUC	Per Minute Usage Rate
intraLATA Only MTS	\$0.00	\$0.39
interLATA Only MTS	\$3.99 (I)	\$0.39
intraLATA and interLATA MTS	\$3.99 (I)	\$0.39

If monthly outbound domestic 1+ Direct-Dialed usage charges equal or exceed the MUC in a billing period, the MUC will not apply. If monthly outbound domestic 1+ Direct-Dialed usage in a billing period is less than the MUC, the MUC that will apply will be the difference between that month's usage charges and the MUC.
