4.6 Optional Calling Plans (continued)

4.6.29 All for Less® Unlimited (continued)

- (D) A single business entity with more than one BTN at the business entity's physical service location is eligible for this plan on one (1) BTN only, provided the total number of AT&T business access lines[#] do not exceed ten (10) at that location. Additionally, service under this plan is limited to one BTN with one (1) to ten (10) business access lines[#] per legal business entity.
- (E) The Customer may subscribe to this plan for outbound Service only, or for both outbound service and inbound TFS. Customer should specify at the time of ordering if the plan is to be used for outbound calling, or both outbound and inbound TFS calling. Customers subscribing to the plan receive unlimited domestic 1+ direct-dialed outbound calling. Where a Customer subscribes to TFS, inbound toll free calls may originate on any type of access and are terminated via Switched Access to the Customer's location. (See Section 4.7 of this Service Guide for optional features, rules, regulations, TFS MRC and general information regarding TFS)
- (F) TFS calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds. TFS per minute rates associated with this plan are subject to change with prior notification to the customer.
- (G) TFS calls, multi-party conference calls (except those calls placed by using the Three-Way Calling feature are included), calls to 900, 976, 700 numbers or other calls to access information services, directory assistance, operator services and international calling are not included in the unlimited minutes of use.
- (H) Call Detail is available as an optional feature to this plan. For an additional MRC, Customers who select this option will receive itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following a Customer's request. Customers may add or remove the Call Detail optional feature from this plan at no charge.
- (I) This plan will remain in effect until either: (a) canceled or changed by the Customer; (b) the Customer terminates Service with the Company; (c) the Company no longer offers this plan to new Customers or to existing Customers moving to new locations or changing the number of access lines[#] under the BTN(s) to which this plan applies; or (d) the Company notifies the Customer this plan is no longer available, whichever occurs first.
- (J) Term Agreement

At the end of a Customer's one (1) year term agreement, if the Customer does not re-subscribe for a new one (1) year term, or cancel services, they may continue with this plan on an out of term month-to-month basis at the out of term month-to-month rates defined in Section 4.6.29 (M) of this Business Service Guide. If the Company introduces a non-term rate option for this plan, existing Customers on out of term month-to-month rates may contact the Company if they wish to move to the non-term option.
