9.5.30 BellSouth® Toll-Free at Home Service¹ (obsolete November 15, 2010) (C)

- (A) BellSouth® Toll-Free at Home is an inward toll free (8xx) calling service offered to residential Customers on switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. This service permits termination of calls from all states within the United States, Canada, Guam, Commonwealth of the Northern Marianas Islands (CNMI), America Samoa and U.S. Virgin Islands.
- (B) To be eligible for this service Customers must presubscribe to BellSouth Long Distance for interLATA and/or intraLATA long distance service and also subscribe to local exchange service provided by the Company's affiliated incumbent local exchange entity. Customers of this service will receive one 4-digit personal identification number (PIN) and one toll-free number per telephone line to be used to access the service. Customers may not retain the BellSouth® Toll-Free at Home service toll-free number when service is discontinued. Customers subscribing to this service are responsible for charges associated with all answered calls placed using the toll-free number and PIN, including calls answered by voice mail, answering machine, or similar device.
- (C) All calls are billed in one (1) minute increments after an initial period, for billing purposes, of one (1) minute. This service is not offered on an intraLATA only basis. The per minute usage rate is \$0.1000.
