5.3.3 AT&T Unlimited Nationwide Calling One

- (A) AT&T Unlimited Nationwide Calling One is a bundled outbound only interstate and intrastate long distance usage calling plan that is offered to Residential Customers on switched access lines. Customers must dial 1 plus the area code, if applicable, and the called telephone number from their presubscribed telephone line. This plan provides the Customer with unlimited minutes of interexchange long distance usage for a single monthly recurring charge (certain terms and conditions, as described below, apply). This plan does not provide call detail information on the Customer's bill.
- (B) In order to be eligible for this plan, the Company must be able to verify that the Customer meets the following terms and conditions. Customers who no longer meet these terms and conditions will not be eligible for this plan and may be offered an alternative plan or have their service suspended, restricted or canceled without prior notice:
- .1 Customers must subscribe to and maintain an access line from the Company's Affiliated ILEC.
 - .2 Customers must subscribe to the Company for the provision of interstate, intrastate IntraLATA and intrastate InterLATA long distance service.
 - .3 This plan may be combined with a verticals feature package as defined and offered by the Company's Affiliated ILEC.
 - .4 This plan is only available for a maximum of three (3) lines at the same location.
 - .5 This plan is not available on an account that is the recipient of charges billed from another location.
 - .6 Unlimited plan usage does not include multi-party conference calls (except those calls placed by using Three-Way Calling feature are included), calls to 900, 976, 700 numbers or other calls to access information services, directory assistance, operator services, international calling and toll-free calling services.
 - .7 This plan cannot be used for any use inconsistent with typical residential voice service. If usage under this plan is not consistent with typical residential voice Customer usage, at the Company's sole discretion, the Company may offer the Customer an alternative plan or suspend, restrict or cancel the Customer's service without prior notice, and the Customer may not be eligible to re-subscribe to this plan. Calls that are not consistent with typical residential voice usage include but are not limited to: use for general business purposes, commercial facsimile, auto-dialing, resale, call centers, long distance access to internet service providers and telemarketing.

(C) The MRC is \$28.99.
