## b. Regulations

- (1) In this schedule "Foreign Exchange" means the exchange in which the customer primary location is located and from where the dial tone office is located. "Local Exchange" means the exchange in which the Centrex station is located.
- (2) Service in this schedule will be furnished only to customers who have a Centrex Service located in a Connecting Company exchange. Service will be furnished where facilities and operating conditions permit.
- (3) The local service area in connection with service furnished in this schedule will be the local service area effective in connection with the Centrex Service located at the customer primary location in the foreign exchange.
- (4) The toll and measured rate service applicable in connection with toll and measured rate service respectively, over foreign exchange Centrex station lines will be in accordance with the tariff or Guidebook provisions of the foreign exchange from which service is received.
- (5) Foreign exchange Centrex Station Service customers are not required to take service of the Local exchange from which service normally would be rendered.
- (6) Services available for use with regular Centrex stations in the local exchange will be furnished in connection with foreign exchange Centrex Station Service in accordance with the tariff or Guidebook provisions of the local exchange unless otherwise specified in the tariffs or Guidebook.
- (7) The tariff or Guidebook provisions of the local exchange applicable to service and labor charges and supplemental equipment will apply in connection with foreign exchange service furnished in this schedule.
