AT&T CALIFORNIA

This filing revises Schedule Cal.P.U.C. Nos. D12. Special Access Service and 175-T. Access Service, Section 9. Directory Services, with administrative changes to remove obsolete terms "Maximum" and "Current" with respect to rates and to add Directory Assistance Listing Information Service (DALIS) to the appropriate tariff section. The terms "Maximum Rates" versus "Current Rates" are no longer valid for Schedule Cal. P.U.C. No. D. After removal of these terms, the current effective rates provided in Schedule Cal.P.U.C. No. D will remain. No price changes are occurring with this filing. This filing also contains minor updates to correct a page number on the index and denote paragraph 10.4 is "Reserved".

Directory Assistance Listing Information Service is purchased by third parties (CLCs - Competitive Local Carriers, Independent Telephone Exchange Carriers, Interexchange Carriers, and other Parties). The service had previously appeared among Schedule Cal. P.U.C. No. A5.7 Directory Services that were detariffed July 15, 2009 with Advice Letter No. 33423. At that time, Directory Assistance Listing Information Service should have moved to a remaining tariff section. This filing places DALIS in Schedule Cal. P.U.C. No. 175-T, Section 9. There are no changes to the rates, terms or conditions of the DALIS product.

In compliance with General Order 96-B, we are serving a copy of this advice letter and related tariff sheets to interested parties who have requested. This advice letter with attachments may be viewed on AT&T California's Web-Site at <https://ebiznet.att.com/calreg/>. If there are any questions regarding the distribution of this advice letter, call 415.778.1299.

This filing will not increase any rate or charge, cause the withdrawal of service, nor conflict with other schedules or rules.

Anyone may object to this advice letter, which was filed February 19, 2016, by sending a written protest to: Telecommunications Advice Letter Coordinator, Communications Division, 505 Van Ness Avenue, 3rd Floor, San Francisco, CA 94102-3298. The protest must state specifically the grounds on which it is based. The protest must be received by the Telecommunications Advice Letter Coordinator no later than 20 days after the date that the advice letter was filed. On or before the day that the protest is sent to the Telecommunications Advice Letter Coordinator, the protestant must send a copy of the protest to Eric Batongbacal, 430 Bush Street, 1st Floor, San Francisco, CA 94108 (fax number 214.486.1580). If this advice letter was served via e-mail, the protest must be served to AT&T California via e-mail at att-ca-regulatory@att.com. To obtain information about the Commission's procedures for advice letters and protests, go to the Commission's Internet site (www.cpuc.ca.gov) and look for document links to General Order 96-B.

This filing is effective February 19, 2016.

Yours truly,

AT&T California

Executive Director
