U 1001 C
Advice Letter No. 45807

Public Utilities Commission of the State of California

We attach for filing this Tier I advice letter to make the following changes in tariff sheets:

SCHEDULE CAL.P.U.C. NO. 175-T

1st Revised Sheet 22-F			
3rd	"	"	475
3rd	"	"	560-A
6th	"	"	1528

This filing revises Schedule Cal.P.U.C. No. 175-T Access Service; Section 2, General Regulations ; Section 8, Billing and Collections Services; and Section 9, IntraLATA Wholesale Service, to add a footnote to references related to Collect calls and Third Number Billing, noting the billing options are discontinued.

Discontinuance of these billing options follows AT&T's application with the Federal Communications Commission (FCC) filed on January 6, 2016, and subsequent authorization granted on March 15, 2016, under Sections 214 and 63.71 (47 U.S.C. § 214 and § 63.71) of the FCC's rules. Access Tariff pages that reference these billing options are being modified to denote AT&T no longer provides these services.

In compliance with General Order 96-B, we are serving a copy of this advice letter and related tariff sheets to interested parties who have requested. This advice letter with attachments may be viewed on AT&T California's Web-Site at <https://ebiznet.att.com/calreg/>. If there are any questions regarding the distribution of this advice letter, call 415.778.1299.

This filing will not increase any rate or charge or conflict with other schedules or rules.

Anyone may object to this advice letter, which was filed July 28, 2016, by sending a written protest to: Telecommunications Advice Letter Coordinator, Communications Division, 505 Van Ness Avenue, 3rd Floor, San Francisco, CA 94102-3298. The protest must state specifically the grounds on which it is based. The protest must be received by the Telecommunications Advice Letter Coordinator no later than 20 days after the date that the advice letter was filed. On or before the day that the protest is sent to the Telecommunications Advice Letter Coordinator, the protestant must send a copy of the protest to Eric Batongbacal, 430 Bush Street, 5th Floor, San Francisco, CA 94105 (fax number 214.486.1580). If this advice letter was served via e-mail, the protest must be served to AT&T California via e-mail at att-regulatory-ca@att.com. To obtain information about the Commission's procedures for advice letters and protests, go to the Commission's Internet site (www.cpuc.ca.gov) and look for document links to General Order 96-B.

8. Billing and Collection Services (Cont'd)

8.3 Billing and Collection for MTS Calls (Cont'd)

8.3.2 Undertaking of the Utility (Cont'd)

- (D) The Utility will not bill Messages that are inaccurate or misleading or in any way inconsistent with the service requested by and provided to the end user.
- (E) Messages must be in the standard format established by the Utility. If in the course of Utility business it is necessary to change the format, the Utility will provide notification to the Customer in advance of the change. If Customer provided rated Messages must be converted by the Utility to the standard format and the Utility agrees to make the conversion, the timing and charges for such a conversion including both a development and per unit charge, will be on an individual case basis at rates consistent with those set forth in this Section 8.
- (F) The Utility will not bill Customer Messages where the associated service was furnished more than 90 days preceding the date of the end user's bill, except as follows*:

(T)

- collect calls,
- calling card calls, or
- third party calls.

For the above items, the Utility will bill Customer Messages where the associated service was furnished not more than 150 days preceding the date of the end user's bill.

- (G) The Utility will not bill Messages to an end user account for more than 45 days after the disconnect date of the end user account. All such Messages will be returned to the Customer in a mutually agreed format.

* Effective July 28, 2016, Collect calls and Third Number billing are discontinued. (N)

ACCESS SERVICE

19. IntraLATA Wholesale Service (IWS)

19.1 Service Description

(A) IntraLATA Wholesale Service (IWS):

- Permits an IWS customer, with a valid Carrier Identification Code (CIC), to transport intraLATA toll calls placed by its end users over the Utility's telephone network from Utility's access lines provided to Utility end users,* and
- Provides the IWS customer an unrated toll record of the intraLATA toll calls its end users place over the Utility's telephone network.

(B) The Utility will transport

- 1 + 10-digit
- 7-digit

intraLATA toll calls placed by the customer's end user over the Utility's telephone network.

(C) The Utility intraLATA cannot transport

- Coin Sent-Paid
- certain O+ @

intraLATA toll calls placed by the customer's end user over the Utility's telephone network. These calls must either be blocked by the Utility or transported by another carrier. The customer must provide the Utility written instructions regarding treatment of these calls.

* The network announcement heard by a caller will be that of the Utility, not the IWS customer as the IWS customer uses the Utility's infrastructure including network announcement.

@ O+ Collect calls and O+ Billed to Third Party calls will route over the Utility network and be completed by the Utility.# (T)
The IWS customer will not be charged the MOU for these calls as set forth in 19.4 following, and the applicable rates for these calls are those as set forth in Guidebook, Part 4, Section 2, and the revenue for these calls will journal to the Utility. The responsibility for notifying the end users about this billing arrangement rests with the IWS customer.

Effective July 28, 2016, Collect calls and Third Number (Third Party) (N)
billing is discontinued. (N)
