San Francisco, CA 94102

Re: Unavailability of Certain Services in Certain Geographic Areas

Pursuant to General Order 96-B, AT&T California (U-1001-C) submits this Advice Letter to make changes to Schedule Cal. P.U.C. Nos. B. Private Line Services, B2. General Regulations and 175-T Access Service, Section 2. General Regulations.

This filing denotes that certain services will no longer be available in specified wirecenters within designated Distribution Areas. This advice letter is submitted as a Tier I filing in accordance with General Order 96-B. AT&T California requests that this advice letter become effective on the same day as the submission date, October 1, 2026.
