B. REGULATIONS (Cont'd)

2. Remote Call Forwarding is provided by the Utility to complete volumes of calls equivalent to other standard service arrangements. If traffic arrangements other than this are experienced, the Utility will provide the service in accordance with Schedule Cal.P.U.C. No. A2.1.11.

3. Message Charges

- a. Remote Call Forwarding will be a measured rate service in those exchanges offering measured rate service as shown in Guidebook, Part 4, Section 2, A.
- b. The Remote Call Forwarding service does not include a local message unit allowance or a zone calling unit allowance.
- c. The charges for forwarded calls may be comprised of two separate message charges:
 - (1) A charge for that portion of the call from the originating station to the call forwarding location, if applicable;
 - (2) The Dial-Station-to-Station charge or FGB usage charge for that portion of the call from the call forwarding location to the terminating location designated by the customer.
- d. The respective charge for each such portion c.(1) and c.(2) preceding shall be the rate specified in Guidebook, Part 4, Section 2; Part 9, Section 1; and Part 10, Section 1.
- e. On a Person-to-Person or Operator Station-to-Station call other than collect, the originating customer is charged the respective Person-to-Person or Operator Station-to-Station rate for the portion covered in c.(1) preceding. The charge for the portion of the call described in c.(2) preceding is the Dial Station-to-Station rate and charged to the call forwarding customer or FGB usage charge and charged to the FGB customer.
