- 1) If the CBO has been approved to receive E-rate discounts, the E-rate discount received shall be deducted from CTF eligible service charges prior to applying the 50% discount.
- 2) Effective July 1, 2012, if the CBO is not approved for E-rate discounts, a statewide average E-rate discount (set annually by the Commission) shall be deducted from CTF eligible service charges prior to applying the 50% discount, whether or not an application is pending.
- 3) The statewide average E-rate discount is deducted from the CBO's services solely for purposes of calculating the CTF discount. The statewide average discount shall be added back to the billed amount for payment by the CBO. However, when the CBO subsequently receives its approved E-rate benefit, the CBO's account shall be retroactively adjusted to reflect the approved E-rate funding.

Only those libraries that are eligible for participation in state-based plans for funds under Title III of the Library Service and Construction Act, shall qualify for the discounted rates for libraries. Qualifying schools and libraries shall be entitled to a 50% discount off tariffed or negotiate/contract rates, whichever are lower.

- 1) If the customer has not been approved to receive E-rate discounts, whether or not an application is pending, the 50% discount will be applied to all services (eligible for DAS) after deducting a statewide average E-rate discount (determined by the CPUC) from the billed amount.
- (2) If the customer has been approved to receive E-rate discounts, the 50% discount will be applied to the services after deducting the actual E-rate discounts from the billed amount.
- (3) The statewide average discount is deducted from the customer's services solely for purposes of calculating the DAS discount. The statewide average discount shall be added back to the billed amount for payment by the customer. However, when the customer receives its approved E-rate benefit, the customer's account will be retroactively adjusted to reflect the approved E-rate.
