The Company concurs in maps filed as part of Citizens Utilities Company in their A tariff. The Company concurs in maps filed as part of Roseville Telephone Company in their A Tariff. The reader may view these maps and tariffs and/or Guidebooks at the respective carrier's website.

1. GENERAL INFORMATION

A. PROVISION OF SERVICE

The Company may elect to provide service by routing through an existing facility hub in AT&T service territory. The Company may also elect to provide service by routing through a collocation arrangement or by reselling another carrier's service. Except where specified, the rates, charges, and regulations contained in this Guidebook will apply to services provided by routing through an existing facility hub.

The Company provides some services via collocation arrangements to customer premises located in the wire centers listed below. Services provided via collocation may be offered at rates and charges specified in "collocation" rate schedules for each service in its applicable section, otherwise, the general rate schedule for each rate element shall apply.
