PART 15 - Dedicated Telecommunications Services  
SECTION 3 - Base Rate through OC-n Services

1st Revised Sheet 56

**4. OC-3, OC-12, OC-48 DEDICATED SONET RING SERVICE**

***Service Availability***

Effective December 1, 2021, neither new nor existing customers will be permitted to purchase new OC-3, OC-12, OC-48 Dedicated SONET Ring Service ("Service"). In addition, (A) Service Term Pricing Plans greater than 12-months in length will no longer be available; and (B) requests to move, add, change, upgrade, or downgrade existing Service arrangements will not be accepted, with the following exceptions: (1) existing customers will be permitted to modify their existing Service and will be able to add new circuits to their existing Service, but will not be permitted to add new nodes in any locations; (2) any such new circuits will be subject to the customer's existing term payment plan or term agreement for the Service to which they are added. Following the expiration of a customer's existing term agreement, Service will be provided on a month-to-month basis at the applicable Monthly Extension rates until the Service is discontinued.

Effective November 30, 2023, unless specified to the contrary in their existing Service agreements, existing customers may not renew Term Pricing Plans or term agreements for Service. In addition, no move, add, or change orders of any type will be accepted.

**A. GENERAL**

Additional terms and conditions applicable to Special Access Services may be found in Part 2, Section 2.

All rates and charges may be adjusted at a later date.

OC-3, OC-12, OC-48 dedicated SONET Ring Service is available at the listed rates in this Guidebook where facilities and operating conditions permit. Where facilities can only be provided as a Special Construction offering, Special Construction charges as set forth in Part 2, Section 5, on an Individual Case Basis (ICB), will apply.
