

TDM TO IP TRANSITION – DISCONTINUED SERVICES

As a result of evolving network technology, the Company is able to offer new, advanced services. At the same time, certain older services will no longer be available in some geographic areas, as those services are no longer technically or economically feasible. Links to discontinued services in state Guidebooks are listed below in Table A. Wire Centers, Exchanges, and Distribution Areas by state where these services are discontinued are listed below in Table B.
