

SPECIAL CONSTRUCTION**5. Michigan Bell Special Construction Cases****5.1 Special Construction Cases Transferred from Michigan Bell Telephone Company
Tariff F.C.C. No. 37**

This section contains special construction charges for facilities provided to Other Common Carriers in accordance with Michigan Bell Telephone Company Tariff F.C.C. No. 37, Facilities for Other Common Carriers, prior to May 25, 1984. These special construction cases are subject to the regulations specified in 2.1 through 2.8 preceding, with the following exception. When the initial liability period expires, an underutilization charge applies to the difference between 70% of the number of original specially constructed facilities and the number of facilities in service at filed tariff rates at that time. For purposes of determining an underutilization charge, any facilities subject to minimum period monthly charges are considered to be in service at filed tariff rates.

5.2 Special Construction Cases Transferred from American Telephone and Telegraph Company, Long Lines Department Tariff F.C.C. No. 262

5.2.1 Charges for the State of Michigan

This section contains the Michigan Bell Telephone Company portion of special construction cases providing permanent facilities in accordance with the regulations contained in American Telephone and Telegraph Company, Long Lines Department Tariff F.C.C. No. 262, Special Construction, prior to May 25, 1984. These cases are subject to the regulations specified in 2.1 through 2.8 preceding, with the exception of maximum termination liability period for special construction cases transferred from Tariff F.C.C. No. 262 shall retain a liability period as specified in Tariff F.C.C. No. 262. In addition, instead of underutilization liability based on costs, when there is a partial discontinuance of service on specially constructed facilities, the charge for only the rate elements containing the specially constructed facilities, as contained in the appropriate service tariff, will apply during the unexpired portion of the maximum termination liability period. For purposes of determining this charge, any facilities subject to minimum period monthly charges are considered to be in service at filed tariff rates. (Dx)
