- (E) During the twelve (12) months prior to the Subscription Date, the Customer must have purchased long distance voice services from an affiliate of the Telephone Company, including, but not limited to, ABN/OneNet,² representing aggregate recurring billed revenues of no less than one hundred fourteen million dollars (\$114,000,000) during those twelve (12) months, after applicable discounts, credits and adjustments.

22.216.4 Terms and Conditions(A) Term Period

The term of this Contract Offer (Term Period) commences on the date the Telephone Company receives the signed Letter of Subscription (LOS) from the Customer (Subscription Date), and ends on December 1, 2020. Upon expiration or termination of the Term Period, all Subject Services shall be provided according to the prevailing monthly extension rates in Ameritech Tariff F.C.C. No. 2, Section 21.5.2.6.1 and 7.5.9, unless:

- (i) The Customer selects an applicable Term Pricing Plan/Optional Payment Plan; or
- (ii) Either Party disconnects the Subject Services in a manner consistent with Ameritech Tariff F.C.C. No. 2, Section 21.5.2.

(B) Grandfathering or Sunsetting of Subject Services

Notwithstanding anything to the contrary in this Contract Offer, this Contract Offer shall not prevent the Telephone Company from limiting or precluding new purchases or reconfigurations of Subject Services, or from terminating the provision of Subject Services entirely, prior to the end of the Term Period to the extent permitted by applicable law. Any such changes will be implemented by amending the applicable tariff sections.

(C) General Terms and Conditions

- (1) Subject Services are subject to certain rates, charges and general terms and conditions described in Ameritech Tariff F.C.C. No. 2, Sections 2, 5, 7, 13 and 21, as applicable. Such terms and conditions may be modified through filing tariff changes at any time during the Term Period; however, such tariff modifications will not change the terms and conditions of this Contract Offer. If any provision of this Contract Offer conflicts with any otherwise applicable provisions of Ameritech Tariff F.C.C. No. 2, Sections 2, 5, 7, 13 or 21, this Contract Offer shall govern over the conflicting provision.

¹ Ethernet services are now provided on a contractual basis outside of the tariff, including all terms and conditions. As required by the Commission, to allow the Telephone Company to take advantage of the relief granted in the Commission's Memorandum Opinion and Order No. FCC 07-180, released October 12, 2007, such services have been de-tariffed by the Telephone Company. Rates, terms and conditions associated with specifically de-tariffed services are available at www.att.com/guidebook

- (2) All terms and conditions for the Subject Services provided under this Contract Offer are governed by the otherwise applicable tariff sections, except as provided herein.
- (3) During the Term Period, the Customer (including any of its affiliates) may not order or purchase any Subject Service (including the continuing purchase of any service previously ordered) which is subject to any other: (i) contract offer, (ii) pricing flexibility contract offer containing a revenue commitment or revenue objective (*e.g.*, Minimum Annual Revenue Commitment (MARC), Quarterly Revenue Objective (QRO)), or volume commitment in which Subject Service revenue from this Contract Offer is eligible to be included, unless such other contract offer specifically refers to this Contract Offer, (iii) promotional offering, or (iv) any other discount plan or agreement, except as expressly provided in the above.
- (4) To subscribe to this Contract Offer, the Customer must provide a signed Letter of Subscription (LOS) to the Telephone Company, which must include a list of eligible Access Customer Name Abbreviations (ACNAs) under which the Customer may purchase Subject Services pursuant to this Contract Offer. The Contract Offer will not apply to services purchased under, or transferred from, other ACNAs, or services purchased for other cell sites.
- (5) All Subject Services must be ordered under the Optional Payment Plan ("OPP"), as described in Section 21 of Ameritech Tariff F.C.C. No. 2, under the longest term commitment available at the time of the Customer's order, or at month-to-month rates if no OPP rate is available at the time of the Customer's order. This ordering requirement is for administrative purposes only, to assure the proper provisioning and billing of Subject Services. Subject Services will not be subject to any term commitment or termination liability charges as provided in Section 21, or to any other ordering obligations inconsistent with this Contract Offer. Rates and charges for Subject Services shall include credits provided under Section 22.216.5 of this Contract Offer.

(7) The Customer may disconnect any Subject Service without termination liability charges unless Customer has an uncured material breach of this Contract Offer or of any other applicable tariff provision with respect to such Subject Services. The Telephone Company will initially bill such termination liability charges. Following receipt of any invoice containing termination liability charges subject to this Contract Offer, the Customer will identify those termination liability charges associated with Subject Services under this Contract Offer. The Telephone Company will then review the termination liability charges identified by the Customer and will issue credits to offset those termination liability charges eligible subject to this provision. If the Telephone Company terminates any Subject Service as a result of the Customer's uncured material breach of this Contract Offer or of any other applicable tariff provision, termination liability charges shall apply in the amount of (i) fifty percent (50%) of the discounted Monthly Recurring Charges ("MRCs") applicable to the terminated Subject Services, net of all credits provided for in this Contract Offer, multiplied by (ii) the number of calendar months, or fractions thereof, remaining in the Term Period following the effective date of the termination.

22.216.5 Rates and Charges

(A) The Customer may purchase Subject Services at those Qualified Cell Sites at which Customer has purchased Ethernet-based¹ services from the Telephone Company at a fixed MRC of one hundred eight (\$108) dollars per month for each Subject Service that is multiplexed and connects to a Telephone Company special access interoffice transport service purchased by the Customer. The Telephone Company will initially bill the Customer according to the otherwise applicable OPP or month-to-month MRCs. The Customer will then be credited in an amount equal to the difference between the OPP or month-to-month MRCs and the rates in Table D, below. Credits will be applied monthly in arrears. Taxes, if applicable, will be charged on the OPP or month-to-month MRCs, but will not be included in the credits applied to the Customer's bill.

- (A) For any billing period in which a Subject Service is not so multiplexed and connected as required by Section 22.216.5 (A), the Telephone Company will debit the Customer's invoice for an additional seventeen dollars (\$17) for each such Subject Service.
- (B) The fixed monthly charge includes average Variable Mileage, per Subject Service, for all Subject Services purchased under this Contract Offer, not to exceed nine (9) miles. The Telephone Company will review the Variable Mileage associated with Subject Services no more frequently than twice during each period of twelve (12) consecutive months of the Term Period, beginning with the Subscription Date. If, upon such review, the Telephone Company determines that Variable Mileage for Subject Services exceeds an average of nine (9) miles per Subject Service, the Telephone Company will bill the Customer for all Variable Mileage in excess of nine (9) miles per Subject Service by applying the charges in Tariff Section 21, as applicable to the OPP under a sixty (60) month term commitment plan.
- (D) If the Telephone Company is unable to bill for Subject Services at the discounted rate as described in Section 22.216.5.(A), the Telephone Company will bill the Customer on a monthly basis the otherwise applicable tariff rates applicable to the OPP or month-to-month MRCs. Each calendar quarter, beginning with the first full calendar month (including and pro-rated credits from the Effective date to the first full calendar month) after the Effective Date, the Telephone Company will calculate and issue to the Customer a credit equal to the difference between the rates set forth in Section 22.216.5 and the rates initially billed.
