#### ACCESS SERVICE

- 7. Special Access Service (cont'd)
  - 7.4 Rate Regulations (cont'd)
    - 7.4.10 Optional Payment Plan (OPP) for Base Rate, DS1, DS3, (2), TV Analog Video Services, and SONET Xpress Service(2)(3)
      - (A) General

The Optional Payment Plan is a provision that allows a customer to select Base Rate, DS1, DS3, TV Analog Video Service, <sup>(2)</sup>, <sup>(2)</sup> (excluded DS1 - 128.0, 256.0, 384.0, 512.0 and 768.0 Kbps transport) and SONET Xpress, over a 12, 24, 36, 48 or 60 month payment period. <sup>(4)</sup> Monthly rates for services installed under this Payment (N) Plan will change as Telephone Company initiated rate changes become effective but during the OPP term will not exceed the monthly rate in effect at the beginning of the customer's OPP term.\*

During the term of the selected OPP, Telephone Company initiated rate changes (increases or decreases) will automatically be applied to the monthly payments for the remaining months of the current OPP term. But in no case will any rate change cause the monthly rate during the OPP term to exceed that in effect at the beginning of the customer's OPP term.

TV Analog Video Service <sup>(2)</sup> rates and charges for which the OPP is available are listed in Section 7.5.5. Base Rate, DS1, and DS3 Service rates and charges for which the OPP is available are listed in Section 7.5.9 <sup>(2)</sup> and SONET Xpress Service rates and charges for which OPP is available are listed in Section 7.5.12.

Customers subscribing to the OPP will be subject to nonrecurring charges <sup>(1)</sup> as specified in Section 7.5.13 for installation and rearrangements of service covered by the plan. The nonrecurring charges will not be spread over the OPP term. If the customer subscribes to the OPP on an existing service with no other changes, no nonrecurring charges will apply.

- \* For DS3 customers under an OPP as of August 4, 1992, the sum of the rates for the Service Package and Service Channels will not exceed, for the remainder of the OPP term, the rate in effect at the beginning of the customer's OPP Term.
- (1) For Services ordered under MVP, refer to Section 19.3(E)(5).
- (2) Material in this Section has been de-tariffed as required by the Commission upon use of the forbearance relief pursuant to FCC Memorandum Opinion and Order No. 07-180, released October 12, 2007. Terms and Conditions associated with detariffed services are available at <a href="https://www.att.com/guidebook">www.att.com/guidebook</a>.
- (3) Effective February 16, 2012, SONET Xpress is available only to existing Customers, for existing service arrangements. Existing Customers may continue to receive service under existing service arrangements, or on a month-to-month basis after their existing service arrangements expire, until SONET Xpress is discontinued.
- (4) Effective on September 13, 2017, 48- and 60-month Optional Payment Plans for DS1 and DS3 Services are no longer available, and Optional Payment Plans for Base Rate services are no longer available, including for any otherwise available renewals or conversions. Circuits already subject to an Optional Payment Plan, as of September 13, 2017, will continue to be provided under the then-current Optional Payment Plan term for the remainder of that term.

(N)

- 7. Special Access Service (Cont'd)
  - 7.4 Rate Regulations (Cont'd)
    - 7.4.13 Discount Commitment Program (DCP) \*
      - (A) General Description

The Discount Commitment Program (DCP) provides the customer with rate stabilization and discounted rates for Direct Analog, Base Rate and DS1 services (described in Sections 7.2.3 and 7.2.9, preceding), <sup>(1)</sup> except the DCP is not available for DS1 Local Distribution Channels (LDC) associated with 128, 256, 384, 512, and 768 Kbps Channel Mileage Termination and Channel Mileage, installed after October 2, 2000. The customer agrees to a minimum service commitment per service per state when establishing a DCP. Customers may disconnect or move Local Distribution Channels within the state and not be subject to Termination Liability charges as long as commitment levels are maintained.

DCPs may be established by service by state and be of either 3 or 5 years duration. (1) A customer may have only one DCP per service per state in effect at one time. For example, a customer that has a 3 year DCP for Direct Analog service in Illinois may not establish a second Direct Analog DCP in Illinois until the current DCP expires.

Monthly rates for services installed under a DCP will change as Telephone Company initiated rate changes become effective but during the DCP term will not exceed the monthly rate in effect at the beginning of the customer's DCP term. During the term of the selected DCP, Telephone Company initiated rate changes (increases or decreases) will automatically be applied to the monthly rates for the remaining months of the current DCP term. But in no case will any rate change cause the monthly rate during the DCP term to exceed that in effect at the beginning of the customer's DCP term.

- (B) For DCPs established prior to August 30, 2016, the terms and conditions associated with the DCP are as follows in this Section 7.4.13(B):
  - (1) Commitment Level

A customer establishes a DCP term by committing 90 percent or more of their in service Local Distribution Channels to a term of either 3 or 5 years duration. Although the commitment is based upon Local Distribution Channels, the following rate elements will all receive DCP rates:

Channel Mileage
Channel Mileage Termination
DS1 to Voice/Base Rate Multiplexer
Local Distribution Channel

- \* DCP is not available for DS1 Local Distribution Channels (LDC) associated with 128, 256 384, 512, and 768 Kbps Channel Mileage Termination and Channel Mileage, installed after October 2, 2000.
- (1) Effective on September 13, 2017, 5-year DCP Payment Plans for DS1 Service are no longer available, and DCP Payment Plans for Direct Analog and Base Rate Services are no longer available. Circuits already subject to a DCP Payment Plan, as of September 13, 2017, will continue to be provided under the then-current DCP term for the remainder of that term.
