## ACCESS SERVICE

6. Switched Access Service (Cont'd)6.2 Provision and Description of Switched Access Service (Cont'd)6.2.5 Line Information Data Base (LIDB) Service(A) General Description

LIDB Service is provided by the Telephone Company to its customers in support of alternate billing services. There are three different LIDB Services offered: LIDB Billing Validation, Originating Line Number Screening Service and Equipment Indicator Service (OLNS Service), and Preferred Validation Service. LIDB Service provides access to billing validation data which resides in the Telephone Company data base for use with alternate billing services, such as Collect Calls and Third Number Billing.<sup>(1)</sup> OLNS Service provides information on the type of service/equipment associated with the line originating the call. Preferred Validation Service provides for the ability to have the Telephone Company restrict LIDB information from a customers' query-originating service platforms. (N)

Customers participating in LIDB Service for purposes of obtaining LIDB Billing Validation or OLNS Service data originate queries to the LIDB from an Operator Service System (OSS) identified by an originating point code. The requested billing validation data, in the form of signaling information, is passed back from the Service Control Point (SCP) where the LIDB resides via the Telephone Company STP to the customer's designated OSS where the LIDB query originated. The LIDB system will receive and respond to American National Standards Institute Signaling System 7 protocol queries as defined in Bellcore publication TR-TSV-000905, and Pacific Bell publication PUB L-780023 PB/NB.

LIDB Billing Validation Service will provide the following functions on a per query basis:

- Determination of whether the billed line automatically rejects certain calls billed as collect or third number.<sup>(1)</sup> (N)
- Determination of whether the billed line is a public telephone number using the "Service or Equipment Indicator" in the LIDB.

<sup>(1)</sup> Effective September 13, 2016, collect calls and calls billed to a third number have been discontinued by the Telephone Company. (N)
