as provided herein.

When this tariff was originally filed on September 30, 1983, all material contained therein was new, with the exception of special construction charges contained in Section 3 which were transferred from American Telephone and Telegraph Company, Long Lines Department Tariff F.C.C. No. 262, Special Construction.

Scheduled to become effective January 1, 1984, the original tariff was filed (1) as a result of the Federal Communications Commission's Third Report and Order in CC Docket No. 78-72, Phase I, adopted December 22, 1982 and released February 28, 1983, as modified by the Commission's Memorandum Opinion and Order, adopted July 27, 1983 and released August 22, 1983, (2) as a result of the Modification of Final Judgment entered August 24, 1982, in United States v. Western Electric Co., et al, (Civil Action No. 82-0192) and (3) under authority of the Commission's Special Permission Nos. 83-818, 83-820 and 83-839.

The effective date of the original tariff was suspended until April 3, 1984 in compliance with a Memorandum Opinion and Order of the Federal Communications Commission, adopted October 18, 1983 and released October 19, 1983.

This revised tariff is filed on less than statutory notice in compliance with the Federal Communications Commission's Memorandum Opinion and Order in CC Docket No. 83-1145, Phase I, adopted February 16, 1984 and released February 17, 1984.

The name, title and street address of this tariff's Issuing Officer is located on the bottom of Page 1, the Check Sheet.

Effective October 25, 2014, The Southern New England Telephone Company Tariff F.C.C. No. 35 is cancelled in its entirety and services previously provided under this tariff will now be provided under Frontier Telephone Companies Tariff F.C.C. Tariff No. 7.
