The Customer must provide, at the time of subscription, all Access Customer Name Abbreviations (ACNAs) that the Customer designates for inclusion in this Contract Offer for itself and any of its "Affiliates" that may purchase service pursuant to this Contract Offer (hereafter referred to as "Eligible ACNAs").

Services ordered or purchased under other ACNAs may not be transferred to, or converted for inclusion under, this Contract Offer, unless otherwise agreed in writing by the parties.

(A) Term Period

The term of this Contract Offer (Term Period) will begin on the first day of the first calendar month following the date the Telephone Company receives a signed Letter of Subscription (LOS) from the Customer (that date to be referred to as the "Subscription Date"), and will continue for sixty (60) months. Each period of twelve (12) consecutive months during the Term Period, beginning from the Subscription Date, shall be referred to as a Term Year. Each period of three (3) consecutive months during the Term Period, beginning from the Subscription Date, shall be referred to as a Quarter. Upon expiration of the Term Period, Subject Services will be provided at the prevailing month-to-month rates as provided in SNET Tariff F.C.C. No. 39, Section 7 or 24, or if there are no month-to-month rates, then at the rates applicable to the shortest available term, unless the Customer disconnects the services or chooses another applicable rate. Notwithstanding anything to the contrary in this Section 25.60.(B), all Service Terms are subject to termination pursuant to Sections 25.60.4(F) and 25.60.4(G), below.

(C) Service Term

Subject Services must be ordered and purchased subject to the Term Period applicable to either DS1 or DS3 service, respectively, under this Contract Offer, as provided in Section 25.60.3(C) (in either case, referred to as the Service Term). (E) The Customer may not be a party to any agreement for de-tariffed interstate access services provided Telephone Company ("Broadband Agreement") or any other pricing flexibility contract tariff, if the Broadband Agreement or pricing flexibility contract tariff contains any revenue or volume commitment or attainment level, as of the effective date of the Contract Offer (Commitment Agreement), unless the Commitment Agreement expressly allows the Customer to participate in both the Commitment Agreement and this Contract Offer.

(F) Grandfathering or Sunsetting of Subject Services

Nothing in this Contract Offer shall prevent the Telephone Company from terminating the provision of Subject Services entirely, prior to the end of the Term Period, to the extent permitted by applicable law.

(G) Subject to paragraph G(1) or G(2), if either becomes applicable, during the Term Period, upon no less than three (3) months' notice to the Customer, the Telephone Company may stop accepting orders for, or otherwise placing Subject Services under, five (5) year and seven (7) year service terms, including new, renewed, converted, or other Subject Services. 25.60.5 Minimum Annual Revenue Commitment

The Customer must satisfy a Minimum Annual Revenue Commitment (MARC) for each Term Year of this Contract Offer. The MARC shall be satisfied by gross billed recurring revenue, after application of any discounts or credits applicable to that recurring revenue (except those issued under this Contract Offer), as well as adjustments for overbilling, under-billing and billing dispute settlements issued during that Term Year for Subject Services and Non-Subject Services purchased by, and billed to, Customer under the Eligible ACNAs (collectively, "MARC-Eligible Charges"). The Customer's MARC-Eligible Charges shall specifically exclude non-recurring charges, usage-based charges and temporary service charges. Credits under this Contract Offer are conditioned on the Customer's satisfaction of the MARC in each Term Year. Satisfaction of the MARC shall be determined according to MARC-Eligible Revenue.

The MARC for the first Term Year of the Term Period will be equal to ninety-five percent (95%) of the Customer's MARC-Eligible Revenue for the three (3) months prior to the Subscription Date, times four (4). The MARC for the each subsequent Term Year of the Term Period will be equal to ninety-five percent (95%) of the Customer's MARC-Eligible Revenue for the last three (3) months of the prior Term Year, times four (4).

25.60.7 Access Service Ratio

The Customer (including any of its Affiliates included in this Contract Offer) must maintain an Access Service Ratio as further provided in this Section 25.60.7. The Access Service Ratio shall be calculated quarterly, based on data for the most recent single month for which information is available at the time of the calculation. The Telephone Company will calculate the Customer's Access Service Ratio as of the Subscription Date and for each Quarter thereafter, as follows:

Access Service Ratio = Access Revenue /  
(Access Revenue + Wholesale Revenue)

During the Term Period, the Access Service Ratio may not decline by more than 3%, as compared to the Access Service Ratio on the Subscription Date, as determined by each quarterly calculation of the Access Service Ratio.

Example: Assume that the Customer's Access Service Ratio, as calculated for the Subscription Date, is 95%. For each subsequent quarterly calculation of the Access Service Ratio, the Customer would be required to achieve an Access Service Ratio of at least 92%.

If during the Term Period, any of the Telephone Company offers additional ILEC access services or UNEs, such additional ILEC access services or UNEs shall also be included in the calculation of the Access Service Ratio. Recurring revenue, for purposes of calculating the Access Service Ratio, will be measured according to gross billed recurring revenue, after application of any discounts or credits applicable to that recurring revenue, plus any adjustments for overbilling, under-billing and billing dispute settlements. The calculation of recurring revenue will not include any DS1 Plan Credits issued pursuant to this Contract Offer.

If, upon the initial review or any quarterly review of the Customer's compliance with the Access Service Ratio, the Telephone Company determines that the Customer has not complied with the Access Service Ratio, the Telephone Company will so notify the Customer in writing. The Customer will have sixty (60) days after such notice to cure its noncompliance with the Access Service Ratio.
