ACCESS SERVICE

7. Special Access Service (Cont'd)7.2 Rate Regulations (Cont'd)7.2.22 DS1 Term Payment Plan (Cont'd)(E) DS1 High Capacity Service Portability Commitment

Effective July 16, 2016, the DS1 High Capacity Service Portability Commitment is no longer available for new subscriptions or renewals. The DS1 High Capacity Service Portability Commitment will continue to be available to existing subscribers for the remainder of each subscriber's 3 year DS1 High Capacity Service Portability Commitment term.

DS1 High Capacity Service Portability Commitment provides a customer the ability to establish a volume commitment in the form of DS1 Channel Terminations and receive a waiver on DS1 TPP Termination Liability, as described in 7.2.22 (G), during the life of the Portability Commitment. The Portability Commitment will consist of a Commitment Level (CL), as described below, and will have a term of three years. The Portability Commitment does not otherwise affect the rates, terms, or conditions of the Customer's DS1 TPP. The Portability Commitment may be renewed.⁽¹⁾ To renew, the Customer must notify the Telephone Company, in writing, with such notice directed to both the Customer's account manager and the access service center, and specifically identify the Customer's Commitment Level (as defined herein), prior to the expiration of the Customer's existing Portability Commitment term. Customers may purchase DS1 service under DS1 TPP terms of 2, 3, 5, or 7 years and have the associated Channel Terminations count towards the CL. Access Order Charges and all installation charges will be billed as applicable.

Customers may purchase DS1 service under DS1 TPP terms of 2, 3, 5, or 7 years and have the associated Channel Terminations count towards the CL. Access Order Charges and all installation charges will be billed as applicable.

Following are the terms and conditions associated with the Portability Commitment:

- (1) Customer commits to a 3-Year Commitment Level (CL) that is reviewed on a monthly basis. The initial monthly CL is calculated by the Telephone Company and is the total of all DS1 Channel Terminations in-service for the month previous to the month in which the Customer notifies the Telephone Company, in writing, of the Customer's CL. The initial monthly CL will consist of all Channel Terminations including those on Month-to-Month terms and other term pricing plans. The effective date of the Portability Commitment will be the first day of the month immediately following the month in which the Portability Commitment is signed;
- (2) Customer must have a minimum of 40 Channel Terminations in-service each month and at least 80% of the CL under a 2, 3, 5, or 7 year DS1 TPP each month;
- (3) At the commencement of the Customer's Portability Commitment and upon any renewal⁽¹⁾ of a Portability Commitment, at least 80 percent of the Customer's CL must be purchased under a 2, 3, 5, or 7 year DS1 TPP; and

⁽¹⁾ Effective July 16, 2016, renewals are no longer available.
