2. GENERAL REGULATIONS (CONT'D)

2.5 Definitions

(D)

Collect Call

The term "Collect Call" denotes a billing arrangement by which the charge for a call may be reversed provided the charge is accepted at the called station. The station charge portion of an international collect call must be billed to a third party number or Marine Identification Number (MIN). A collect call to the United States mainland may be billed to a third party number. In the case of a public or semi-public coin telephone the charges must be billed to a third party number or the call may be re-originated from the called station.

Customer

The term "Customer" denotes the person, firm or corporation responsible for the payment of charges and compliance with the regulations of the Telephone Company.

(D)

(D)

Dial Station

The term "Dial Station" denotes that service where the person originating the call dials the telephone number desired, completes the message without the assistance of a Telephone Company operator and the message is billed to the originating number.

Initial and Additional Periods

The term "Initial Period" denotes the interval of time allowed at the rate quoted for a connection between given points.

The term "Additional Period" denotes the unit of time used for measuring and charging for time in excess of the initial period.
