ACCESS SERVICE

2 - General Regulations (Cont'd)

2.4 Payment Arrangements and Credit Allowances (Cont'd)

2.4.8 Optional Payment Plans (Cont'd)

(B) Area Commitment Plan (ACP) (Cont'd)

Services available under ACP and the ACP rates are specified in the rate regulations of the individual services.

Credit and shortfall amounts will be distributed to billing areas based on each billing area's portion of a Customer's regional ACP eligible in-service units. Each state in the region is considered to be one billing area. (Sy)

Effective March 4, 2006, a Customer may have only one ACP. For Customers with multiple ACP commitments prior to March 4, 2006, upon expiration of the multiple commitments, only one ACP may be maintained. In those cases as of March 4, 2006, where the Customer has more than one ACP agreement, the credits and shortfall charges will be determined in chronological order, starting with the earliest agreement. For Interoffice Mileage Commitments under ACP, circuits will be assigned with the longest mileage circuit assigned first and continuing in descending order by circuit length until the number of circuits subscribed to are assigned starting with the earliest agreement. (Sy)

The Customer may add or disconnect services as desired, subject to the minimum service periods set forth in Section 7.4.4 for special access services or as set forth in Section 6.7.2 for switched access services and subject to applicable nonrecurring charges. Credits for services under an ACP will be made at the circuit level. (Sy)
