25.92.5 Minimum Annual Revenue Commitment

The Customer must satisfy a Minimum Annual Revenue Commitment (MARC) for each Term Year of this Contract Offer. The MARC shall be satisfied by gross billed recurring revenue, after application of any discounts or credits applicable to those recurring revenues (except those issued under the Concurrently Subscribed Contract Offers), as well as adjustments for overbilling, under-billing and billing dispute settlements issued during that Term Year for Subject Services and Non-Subject Services purchased by and billed to Customer under the Eligible ACNAs (collectively, "MARC-Eligible Charges"). The Customer's MARC-Eligible Charges shall specifically exclude non-recurring charges, usage-based charges and temporary service charges. Credits under this Contract Offer are conditioned on the Customer's satisfaction of the MARC in each Term Year. Satisfaction of the MARC shall be determined according to MARC-Eligible Revenue.

The MARC for the first Term Year will be equal to ninety-five percent (95%) of the Customer's MARC-Eligible Revenue for the three (3) months prior to the Subscription Date, times four (4). The MARC for the second and third Term Years will be equal to ninety-five percent (95%) of the Customer's MARC-Eligible Revenue for the last three (3) months of the prior Term Year, times four (4). The MARC for the fourth Term Year will be equal to ninety-five percent (95%) of the Customer's MARC-Eligible Revenue for the last three (3) months of the prior Term Year, times four (4), times the number of days in the final Term Year, divided by three hundred sixty-five (365).

(C) Credits for Termination Liability or Plan Shortfall Charges.

The Qualified Companies will issue credits in the amount of any termination liability charges or any charges for failure to satisfy a minimum Commitment Level pursuant to a High Capacity Service Portability Commitment, when such charges would otherwise apply as a result of the disconnection of Subject Services during the Term Period, provided that the conditions set forth below have been met. Such charges initially will be billed, and must be paid, as provided in the relevant sections of BellSouth F.C.C. Tariff No. 1, not including this Contract Offer. (1) Any disconnected Subject Service(s) must have been in service for a minimum of twelve (12) months.

(2) MARC-Eligible Charges for the Term Year must have been equal to or greater than the MARC.

25.92.7 Access Service Ratio

The Customer (including any of its Affiliates included in this Contract Offer) must maintain an Access Service Ratio as further provided in this Section 25.92.7. The Access Service Ratio shall be calculated quarterly, based on data for the most recent single month for which information is available at the time of the calculation. The Qualified Companies will calculate the Customer's Access Service Ratio as of the Subscription Date and for each Quarter thereafter, as follows:

$$\text{Access Service Ratio} = \frac{\text{Access Revenue}}{(\text{Access Revenue} + \text{Wholesale Revenue})}$$

During the Term Period, the Access Service Ratio may not decline by more than 3%, as compared to the Access Service Ratio on the Subscription Date, as determined by each quarterly calculation of the Access Service Ratio.

Example: Assume that the Customer's Access Service Ratio, as calculated for the Subscription Date, is 95%. For each subsequent quarterly calculation of the Access Service Ratio, the Customer would be required to achieve an Access Service Ratio of at least 92%.

If during the Term Period, any of the Qualified Companies offers additional ILEC access services or UNEs, such additional ILEC access services or UNEs shall also be included in the calculation of the Access Service Ratio. Recurring revenue, for purposes of calculating the Access Service Ratio, will be measured according to gross billed recurring revenue, after application of any discounts or credits applicable to that recurring revenue, plus any adjustments for overbilling, under-billing and billing dispute settlements. If, upon the initial review or any quarterly review of the Customer's compliance with the Access Service Ratio, the Qualified Companies determines that the Customer has not complied with the Access Service Ratio, the Qualified Companies will so notify the Customer in writing. The Customer will have sixty (60) days after such notice to cure its noncompliance with the Access Service Ratio.
