ACCESS SERVICE

18. Incidental Interlata Service

A customer ordering Incidental InterLATA Service must, at a minimum, subscribe to a telephone company originating access service.

18.1 Miscellaneous Services18.1.1 Incidental InterLATA SS7 Transport (SS7 Transport)(A) General Description

The provision of SS7 Transport on an interLATA basis by the Telephone Company is limited to SS7 signaling used in connection with the provision of telephone exchange services or exchange access by a local exchange carrier, and to common carriers offering interLATA services at any location within the area in which the Telephone Company provides telephone exchange services or exchange access.
